

Liaobushangdun Huada Furniture Factory, Great Rich (HK) Enterprise Co., Ltd.” that was listed in the *Final Results* to “Dongguan Liaobushangdun Huada Furniture Factory, Great Rich (HK) Enterprises Co., Ltd.” The antidumping duty percentage margin assigned to this entity has not changed. The above corrections are also reflected in the customs instructions. Lastly, we are amending the *Final Results* by removing Zhangjiagang Zheng Yan Decoration Co. Ltd. from the rate table and noting that this company should not have been listed as receiving an antidumping duty margin of 41.75 percent. The review of Zhangjiagang Zheng Yan Decoration Co. Ltd. was rescinded and thus this company’s dumping margin remains unchanged. We will liquidate entries for ZYD during the instant POR at the cash deposit rate required at the time of entry. In addition, ZYD’s cash deposit rate will not change as a result of this review but will remain the rate in effect at the time of entry. Correction of these ministerial errors does not affect the margin selected for the PRC-wide entity. However, we disagree that the Department made ministerial errors with respect to: (1) Accounting for Dalian Huafeng’s name change in the customs instructions; and (2) calculating the surrogate value for plywood. Further, the Department does not consider Petitioners’ comments regarding the omission of reseller language from the liquidation instructions for Dalian Huafeng to be a ministerial error allegation and is, therefore, not making any changes in response to Petitioners’ comments. For a full explanation of each of these findings, see Memorandum to Abdelali Elouaradia, Director, AD/CVD Operations, Office 4 regarding, “Ministerial Error Allegations in the Final Results of the 2009 Antidumping Duty Administrative Review of Wooden Bedroom Furniture from the People’s Republic of China,” dated concurrently with this notice.

Assessment

Pursuant to section 751(a)(2)(A) of the Act and 19 CFR 351.212(b), the Department shall determine, and U.S. Customs and Border Protection (“CBP”) shall assess, antidumping duties on all appropriate entries. The Department intends to issue assessment instructions to CBP that are related to the amended final results 15 days after the date of publication of the amended final results of review.

Cash Deposit Requirements

Cash deposit requirements related to the amended final results will be

effective retroactively for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date of the *Final Results*, as provided for by section 751(a)(2)(C) of the Act. The cash deposit rate for companies whose rate was corrected by the amended final results (*i.e.*, ZYD) will be the corrected rate for that company noted above. As noted above, ZYD’s cash deposit rate will not change as a result of this review but will remain the rate in effect at the time of entry. For previously investigated or reviewed PRC and non-PRC exporters that have separate rates whose rate has not changed as a result of the amended final results, the cash deposit rate will continue to be the exporter-specific rate published for the most recent period. For all PRC exporters of subject merchandise which have not been found to be entitled to a separate rate, the cash deposit rate will be the PRC-wide rate of 216.01 percent. For all non-PRC exporters of subject merchandise which have not received their own rate, the cash deposit rate will be the rate applicable to the PRC exporters that supplied that non-PRC exporter. These deposit requirements shall remain in effect until further notice.

These amended final results are published in accordance with sections 751(h) and 777(i)(1) of the Act.

Dated: September 12, 2011.
