Therefore, you should always check the Agency's Web site and call the appropriate advisory committee hot line/phone line to learn about possible modifications before coming to the meeting.

Agenda: The committee will continue the discussions of issues related to the nature and impact of the use of dissolvable tobacco products on the public health, including such use among children, as part of TPSAC's required report to the Secretary of Health and Human Services. Discussion will include such topics as the composition and characteristics of dissolvable tobacco products, product

use, potential health effects, and marketing.

FDA intends to make background material available to the public no later than 2 business days before the meeting. If FDA is unable to post the background material on its Web site prior to the meeting, the background material will be made publicly available at the location of the advisory committee meeting, and the background material will be posted on FDA's Web site after the meeting. Background material is available at <http://www.fda.gov/AdvisoryCommittees/Calendar/default.htm>. Scroll down to the appropriate advisory committee link.

Procedure: On November 2, 2011, from 1 p.m. to 5 p.m., and on November 3, from 8 a.m. to 5 p.m., the meeting is open to the public. Time allotted for each presentation may be limited. The contact person will notify interested persons regarding their request to speak by October 12, 2011.
