

■ 2. Add § 165.T09–0847 to read as follows:

§ 165.T09–0847 Safety Zone; Ryder Cup Captain's Duel Golf Shot, Chicago River, Chicago, Illinois.

(a) *Location.* The safety zone will encompass all waters of the Chicago River, near Chicago, Illinois, between the North Columbus Drive Bascule Bridge, located at approximate position 41°53'19" N, 087°37'13" W and the Michigan Avenue bridge, located at approximate position 41°53'21" N, 087°37'28" W. (NAD 83).

(b) *Effective and enforcement period.* This regulation is effective and will be enforced from 4 p.m. until 5 p.m. on September 26, 2011. The Captain of the Port, Sector Lake Michigan, or his or her designated representative may terminate the enforcement of this safety zone at any time before the 5 p.m. on September 26, 2011.

(c) *Regulations.* (1) In accordance with the general regulations in § 165.23 of this part, entry into, transiting, or anchoring within this safety zone is prohibited unless authorized by the Captain of the Port, Sector Lake Michigan, or his or her designated representative.

(2) This safety zone is closed to all vessel traffic, except as may be permitted by the Captain of the Port, Sector Lake Michigan, or his or her designated representative.

(3) The "designated representative" of the Captain of the Port, Sector Lake Michigan, is any Coast Guard commissioned, warrant or petty officer who has been designated by the Captain of the Port, Sector Lake Michigan, to act on his or her behalf. The designated representative of the Captain of the Port, Sector Lake Michigan, will be on the Trump Tower with event participants and will have constant radio communication with the Safety and Patrol vessels which will be provided by the Chicago Police Marine Unit.

(4) Vessel operators desiring to enter or operate within the safety zone shall contact the Captain of the Port, Sector Lake Michigan, or his or her designated representative to obtain permission to do so. The Captain of the Port, Sector Lake Michigan, or his or her designated representative may be contacted via VHF Channel 16. Vessel operators given permission to enter or operate in the safety zone must comply with all directions given to them by the Captain of the Port, Sector Lake Michigan, or his or her designated representative.

Dated: September 8, 2011.

M. W. Sibley,
Captain, U.S. Coast Guard, Captain of the Port, Sector Lake Michigan.

33 CFR Part 165

[Docket No. USCG–2011–0721]

RIN 1625–AA00

Safety Zone; Giannangeli Wedding Fireworks, Lake St. Clair, Harrison Township, MI

AGENCY: Coast Guard, DHS.

ACTION: Temporary final rule.

SUMMARY: The Coast Guard is establishing a temporary safety zone on Lake St. Clair, Harrison Township, MI. This zone is intended to restrict vessels from a portion of Lake St. Clair during the Giannangeli Wedding Fireworks.

DATES: This rule is effective and will be enforced from 10 p.m. through 10:30 p.m. on September 24, 2011.

ADDRESSES: Documents indicated in this preamble as being available in the docket are part of docket USCG–2011–0721 and are available online by going to <http://www.regulations.gov>, inserting USCG–2011–0721 in the "Keyword" box, and then clicking "Search." They are also available for inspection or copying at the Docket Management Facility (M–30), U.S. Department of Transportation, West Building Ground Floor, Room W12–140, 1200 New Jersey Avenue, SE., Washington, DC 20590, between 9 a.m. and 5 p.m., Monday through Friday, except Federal holidays.

FOR FURTHER INFORMATION CONTACT: If you have questions on this temporary rule, call or e-mail Lt. Adrian Palomeque, Prevention Department, Sector Detroit, Coast Guard; telephone (313) 568–9508, e-mail Adrian.F.Palomeque@uscg.mil. If you have questions on viewing the docket, call Renee V. Wright, Program Manager, Docket Operations, telephone 202–366–9826.

SUPPLEMENTARY INFORMATION:

Regulatory Information

The Coast Guard is issuing this temporary final rule without prior notice and opportunity to comment pursuant to authority under section 4(a) of the Administrative Procedure Act (APA) (5 U.S.C. 553(b)). This provision

authorizes an agency to issue a rule without prior notice and opportunity to comment when the agency for good cause finds that those procedures are "impracticable, unnecessary, or contrary to the public interest." Under 5 U.S.C. 553(b)(B), the Coast Guard finds that good cause exists for not publishing a notice of proposed rulemaking (NPRM) with respect to this rule. Notice of this fireworks display was not received in sufficient time for the Coast Guard to solicit public comments before the start of the event. Thus, waiting for a notice and comment period to run would be impracticable and contrary to the public interest because it would inhibit the Coast Guard's ability to protect the public from the hazards associated with maritime fireworks displays.

Under 5 U.S.C. 553(d)(3), the Coast Guard finds that good cause exists for making this rule effective less than 30 days after publication in the **Federal Register**. For the same reasons discussed in the preceding paragraph, waiting for a 30 day notice period to run would be impracticable and contrary to the public interest.

Background and Purpose

On September 24, 2011, a private party is holding a land based wedding that will include fireworks launched from a point on Lake St. Clair. The fireworks display will occur between 10 p.m. and 10:30 p.m., September 24, 2011. The Captain of the Port Detroit has determined that fireworks displays launched on or in the vicinity of navigable waters pose hazards to the boating public. Such hazards include obstructions to the waterway that may cause marine casualties, explosive danger of fireworks, and debris falling into the water that may cause death or serious bodily harm and property damage.

Discussion of Rule

Because of the aforementioned hazards, the Captain of the Port Detroit has determined that this temporary safety zone is necessary to ensure the safety of spectators and vessels during the setup, loading, and launching of the Giannangeli Wedding Fireworks Display. The safety zone will encompass all waters on Lake St. Clair within a 420 foot radius of the fireworks barge launch site located off the shore of Harrison Township, MI at position 42°36'31" N, 082°48'2" W from 10 p.m. until 10:30 p.m. on September 24, 2011. All geographic coordinates are North American Datum of 1983 (NAD 83).

All persons and vessels shall comply with the instructions of the Coast Guard Captain of the Port or the designated on

scene patrol personnel. Entry into, transiting, or anchoring within the safety zone is prohibited unless authorized by the Captain of the Port Detroit or his designated on scene representative. The Captain of the Port or his designated on scene representative may be contacted via VHF Channel 16.

Regulatory Analyses

We developed this rule after considering numerous statutes and executive orders related to rulemaking. Below we summarize our analyses based on 13 of these statutes or executive orders.

Regulatory Planning and Review

This rule is not a significant regulatory action under section 3(f) of Executive Order 12866, Regulatory Planning and Review, as supplemented by Executive Order 13563, Improving Regulation and Regulatory Review, and does not require an assessment of potential costs and benefits under section 6(a)(3) of that Executive Order 12866 or under section 1 of Executive Order 13563. The Office of Management and Budget has not reviewed it under that those Orders.

We conclude that this rule is not a significant regulatory action because we anticipate that it will have minimal impact on the economy, will not interfere with other agencies, will not adversely alter the budget of any grant or loan recipients, and will not raise any novel legal or policy issues. The safety zone around the launch platform will be relatively small and exist for only a minimal time. Thus, restrictions on vessel movement within any particular area of Lake St. Clair are expected to be minimal. Under certain conditions, moreover, vessels may still transit through the safety zone when permitted by the Captain of the Port.

Small Entities

Under the Regulatory Flexibility Act (5 U.S.C. 601–612), we have considered whether this rule would have a significant economic impact on a substantial number of small entities. The term “small entities” comprises small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000.

The Coast Guard certifies under 5 U.S.C. 605(b) that this rule will not have a significant economic impact on a substantial number of small entities.

This rule will affect the following entities, some of which may be small

entities: The owners and operators of vessels intending to transit or anchor in this portion of Lake St. Clair between 10 p.m. through 10:30 p.m. on September 24, 2011.

This safety zone will not have a significant economic impact on a substantial number of small entities because vessels can easily transit around the zone. The Coast Guard will give notice to the public via a Broadcast Notice to Mariners that the regulation is in effect.

Assistance for Small Entities

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104–121), we offer to assist small entities in understanding the rule so that they can better evaluate its effects on them and participate in the rulemaking process.

Small businesses may send comments on the actions of Federal employees who enforce, or otherwise determine compliance with, Federal regulations to the Small Business and Agriculture Regulatory Enforcement Ombudsman and the Regional Small Business Regulatory Fairness Boards. The Ombudsman evaluates these actions annually and rates each agency’s responsiveness to small business. If you wish to comment on actions by employees of the Coast Guard, call 1–888–REG–FAIR (1–888–734–3247). The Coast Guard will not retaliate against small entities that question or complain about this rule or any policy or action of the Coast Guard.

Collection of Information

This rule calls for no new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3520).

Federalism

A rule has implications for federalism under Executive Order 13132, Federalism, if it has a substantial direct effect on State or local governments and would either preempt State law or impose a substantial direct cost of compliance on them. We have analyzed this rule under that Order and have determined that it does not have implications for federalism.

Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of \$100,000,000 (adjusted for inflation) or

more in any one year. Though this rule will not result in such an expenditure, we do discuss the effects of this rule elsewhere in this preamble.

Taking of Private Property

This rule will not cause a taking of private property or otherwise have taking implications under Executive Order 12630, Governmental Actions and Interference with Constitutionally Protected Property Rights.

Civil Justice Reform

This rule meets applicable standards in sections 3(a) and 3(b)(2) of Executive Order 12988, Civil Justice Reform, to minimize litigation, eliminate ambiguity, and reduce burden.

Protection of Children

We have analyzed this rule under Executive Order 13045, Protection of Children from Environmental Health Risks and Safety Risks. This rule is not an economically significant rule and does not create an environmental risk to health or risk to safety that may disproportionately affect children.

Indian Tribal Governments

This rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it does not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes.

Energy Effects

We have analyzed this rule under Executive Order 13211, Actions Concerning Regulations That Significantly Affect Energy Supply, Distribution, or Use. We have determined that it is not a “significant energy action” under that order because it is not a “significant regulatory action” under Executive Order 12866 and is not likely to have a significant adverse effect on the supply, distribution, or use of energy. The Administrator of the Office of Information and Regulatory Affairs has not designated it as a significant energy action. Therefore, it does not require a Statement of Energy Effects under Executive Order 13211.

Technical Standards

The National Technology Transfer and Advancement Act (NTTAA) (15 U.S.C. 272 note) directs agencies to use voluntary consensus standards in their regulatory activities unless the agency provides Congress, through the Office of

Management and Budget, with an explanation of why using these standards would be inconsistent with applicable law or otherwise impractical. Voluntary consensus standards are technical standards (e.g., specifications of materials, performance, design, or operation; test methods; sampling procedures; and related management systems practices) that are developed or adopted by voluntary consensus standards bodies.

This rule does not use technical standards. Therefore, we did not consider the use of voluntary consensus standards.

Environment

We have analyzed this rule under Department of Homeland Security Management Directive 023-01 and Commandant Instruction M16475.1D, which guide the Coast Guard in complying with the National Environmental Policy Act of 1969 (NEPA)(42 U.S.C. 4321-4370f), and have concluded this action is one of a category of actions that do not individually or cumulatively have a significant effect on the human environment. This rule is categorically excluded, under figure 2-1, paragraph (34)(g) of the Instruction because it involves the establishment of a temporary safety zone. An environmental analysis checklist and a categorical exclusion determination will be available in the docket where indicated under **ADDRESSES**.

- 2. Add § 165.T09-0721 to read as follows:

§ 165.T09-0721 Safety zone; Giannangeli Wedding Fireworks, Lake St. Clair, Harrison Township, MI.

(a) *Location.* The safety zone will encompass all U. S. navigable waters on Lake St. Clair within a 420 foot radius of Harrison Township, MI at position

42°36'31" N, 082°48'2" W. All geographic coordinates are North American Datum of 1983 (NAD 83).

(b) *Effective and Enforcement Period.* This rule is effective and will be enforced from 10 p.m. through 10:30 p.m. on September 24, 2011.

(c) Regulations.

(1) In accordance with the general regulations in Section 165.23 of this part, entry into, transiting, or anchoring within this safety zone is prohibited unless authorized by the Captain of the Port Detroit, or his designated on-scene representative.

(2) This safety zone is closed to all vessel traffic, except as may be permitted by the Captain of the Port Detroit or his designated on-scene representative.

(3) The "on-scene representative" of the Captain of the Port is any Coast Guard commissioned, warrant, or petty officer who has been designated by the Captain of the Port to act on his behalf. The on-scene representative of the Captain of the Port will be aboard either a Coast Guard or Coast Guard Auxiliary vessel. The Captain of the Port or his designated on scene representative may be contacted via VHF Channel 16.

(4) Vessel operators desiring to enter or operate within the safety zone shall contact the Captain of the Port Detroit or his on-scene representative to obtain permission to do so.

(5) Vessel operators given permission to enter or operate in the safety zone must comply with all directions given to them by the Captain of the Port or his on-scene representative.

Dated: September 6, 2011.

E.J. Marohn,

Commander, U.S. Coast Guard, Acting Captain of the Port Detroit.

Safety Zone; M/V DAVY CROCKETT, Columbia River

AGENCY: Coast Guard, DHS.

ACTION: Temporary final rule.

SUMMARY: The U.S. Coast Guard is extending the enforcement period of a safety zone established on the waters of the Columbia River surrounding the

remaining cofferdam at the M/V DAVY CROCKETT removal sight at approximate river mile 117. The original safety zone was established on January 28, 2011. The safety zone is necessary to help ensure the safety of the response workers and maritime public from the hazards associated with the ongoing worksite cleanup operations. All persons and vessels are prohibited from entering or remaining in the safety zone unless authorized by the Captain of the Port, Columbia River or his designated representative.

DATES: This rule is effective in the CFR from September 20, 2011 through October 31, 2011. This rule is effective with actual notice for purposes of enforcement on September 1, 2011. This rule will remain in effect through October 31, 2011.
