SUPPLEMENTARY INFORMATION: The Commission has received a complaint filed on behalf of VIA Technologies Inc., IP-First, LLC and Centaur Technology on September 22, 2011. The complaint alleges violations of section 337 of the Tariff Act of 1930 (19 U.S.C. 1337) in the importation into the United States, the sale for importation, and the sale within the United States after importation of certain computer devices with associated instruction sets. The complainant names as respondent Apple Inc. of CA.

The complainant, proposed respondents, other interested parties, and members of the public are invited to file comments, not to exceed five pages in length, on any public interest issues raised by the complaint. Comments should address whether issuance of an exclusion order and/or a cease and desist order in this investigation would negatively affect the public health and welfare in the United States, competitive conditions in the United States economy, the production of like or directly competitive articles in the United States, or United States consumers.

In particular, the Commission is interested in comments that:

- (i) Explain how the articles potentially subject to the orders are used in the United States;
- (ii) Identify any public health, safety, or welfare concerns in the United States relating to the potential orders;
- (iii) Indicate the extent to which like or directly competitive articles are produced in the United States or are otherwise available in the United States, with respect to the articles potentially subject to the orders; and

(iv) Indicate whether Complainant, Complainant's licensees, and/or third party suppliers have the capacity to replace the volume of articles potentially subject to an exclusion order and a cease and desist order within a commercially reasonable time.

Written submissions must be filed no later than by close of business, five business days after the date of publication of this notice in the **Federal Register**. There will be further opportunities for comment on the public interest after the issuance of any final initial determination in this investigation.

Persons filing written submissions must file the original document and 12 true copies thereof on or before the deadlines stated above with the Office of the Secretary. Submissions should refer to the docket number ("Docket No. 2844") in a prominent place on the cover page and/or the first page. The Commission's rules authorize filing submissions with the Secretary by facsimile or electronic means only to the extent permitted by section 201.8 of the rules (see Handbook for Electronic Filing Procedures, http://www.usitc.gov/secretary/fed_reg_notices/rules/documents/handbook_on_electronic_filing.pdf). Any person desiring to submit a document to the Commission in confidence must request confidential treatment. All such requests should be directed to the Secretary to the Commission and must include a full statement of the reasons why the Commission should grant such treatment. See 19 CFR 201.6. Documents for which confidential treatment by the Commission is properly sought will be treated accordingly. All nonconfidential written submissions will be available for public inspection at the Office of the Secretary.

This action is taken under the authority of section 337 of the Tariff Act of 1930, as amended (19 U.S.C. 1337), and of sections 201.10 and 210.50(a)(4) of the Commission's Rules of Practice and Procedure (19 CFR 201.10, 210.50(a)(4)).

In the Matter of Certain Light-Emitting Diodes and Products Containing Same; Notice of Commission Determination Not To Review an Initial Determination Granting Complainant's Motion To Amend the Complaint and Notice of Investigation To Reflect a Corporate Name Change

AGENCY: U.S. International Trade Commission.

ACTION: Notice.

SUMMARY: Notice is hereby given that the U.S. International Trade Commission has determined not to review an initial determination ("ID") (Order No. 4) issued by the presiding administrative law judge ("ALJ") granting complainant's motion to amend the complaint and notice of investigation to reflect a corporate name change in the above-referenced investigation.

SUPPLEMENTARY INFORMATION: The Commission instituted this investigation on July 11, 2011, based on a complaint filed by OSRAM GmbH of Munich, Germany. 76 FR 40745 (Jul. 11, 2011). The complaint alleged violations of section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. 1337, in the importation into the United States, the sale for importation, and the sale within the United States after importation of certain light-emitting diodes and products containing the same by reason of infringement of various claims of United States Patent Nos. 6,812,500; 7,078,732; 7,126,162; 7,345,317; 7,629,621; 6,459,130; 6,927,469; 7,199,454; and 7,427,806. The respondents named in the Commission's notice of investigation are LG Electronics, Inc. and LG Innotek Co., Ltd., both of Seoul, South Korea; LG Electronics U.S.A., Inc. of Englewood Cliffs, New Jersey; and LG Innotek U.S.A., Inc. of San Diego, California.

On August 31, 2011, complainant moved to amend the complaint and notice of investigation to reflect a recent change of its corporate name from OSRAM GmbH to OSRAM AG. According to complainant, good cause exists to permit the amendment and no party will be prejudiced. No responses to the motion were filed. On September 2, 2011, the ALJ issued the subject ID (Order No. 4). The ALJ explained that Commission Rule 210.14(b)(1) (19 CFR 210.14(b)(1)) provides for amendment of the complaint only by leave of the Commission for good cause, when and upon such conditions as are necessary to avoid prejudicing the public interest and the rights of the parties to the investigation. The ALJ found that good cause exists for the requested amendment and that it is unlikely that the amendment would prejudice the other parties or the public. None of the parties petitioned for review of the ID.

The Commission has determined not to review the subject ID.

The authority for the Commission's determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. 1337), and in Part 210 of the Commission's Rules of Practice and Procedure (19 CFR part 210).

By order of the Commission.
