AGENCY: Employment and Training Administration, Labor.

ACTION: Notice.

SUMMARY: The Department of Labor (Department or DOL), as part of its continuing effort to reduce paperwork and respondent burden, conducts a pre-clearance consultation program to provide the general public and Federal agencies with an opportunity to comment on proposed and/or continuing collections of information in accordance with the Paperwork Reduction Act of 1995 (PRA) [44 U.S.C. 3505(c)(2)(A)]. The program helps to ensure that requested data can be provided in the desired format, reporting burden (time and financial resources) is minimized, collection instruments are clearly understood, and the impact of the collection requirements on respondents can be properly assessed.

Currently the Employment and Training Administration (ETA) is soliciting comments concerning the continued collection of baseline data to

support the evaluation of the impact of the Green Jobs and Health Care American Recovery and Reinvestment Act of 2009 (ARRA or Recovery Act)-funded training grants. The present OMB approval expires January 31, 2011. This information collection follows an emergency review that was conducted in accordance with the Paperwork Reduction Act of 1995 and 5 CFR 1320.13. SUPPLEMENTARY INFORMATION:

I. Background

This baseline information collection supports an evaluation of the impacts of the Green Jobs and Health Care (GJHC) training grants. This evaluation is sponsored by ETA for worker training and placement in high growth and emerging industries through training grants funded by the 2009 Recovery Act, which was enacted in an effort to preserve and create jobs, promote economic growth, and assist those impacted by the recession. The Recovery Act included funding for four Solicitations for Grant Applications (SGAs) with the goal of training workers in the skills required to be employed in specific high-growth and emerging industries including health care, energy efficiency, and renewable energy. Two of these four SGAs that are the focus of this study, for which baseline data must be collected, are:

- Pathways Out of Poverty (POP) (\$150 million for 38 projects).
- Health Care and Other High Growth Emerging Industries (HHG) (\$225 million for 55 projects).

The overall aim of this evaluation is to determine the extent to which enrollees achieve increases in employment, earnings, and career advancement because of their participation in the training provided by POP and HHG grantees and to identify promising best practices and strategies

for replication. Individuals enrolling in the GJHC training programs have a 50/50 chance of receiving these services. Those individuals not receiving the training services receive the existing services offered by the grantee. Education, employment, and other outcomes of the two groups will be compared over time to evaluate the GJHC training grant impact. The evaluation will estimate the success in providing educational and occupational skills training that fosters entry into job fields that are innovative and/or experiencing high growth, as in health care industry.

II. Review Focus

The Department is particularly interested in comments which:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Enhance the quality, utility, and clarity of the information to be collected; and

- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

SUPPLEMENTARY INFORMATION: The Assistant Secretary of Labor for Occupational Safety and Health invites interested individuals to submit nominations for membership on NACOSH. The terms of seven NACOSH members will expire on March 31, 2012.

The Occupational Safety and Health Act of 1970 (OSH Act) (29 U.S.C. 656) authorizes NACOSH to advise the Secretary of Labor (Secretary) and the Secretary of Health and Human Services (HHS) on matters relating to the administration of the OSH Act. NACOSH is a continuing advisory body and operates in compliance with the OSH Act, the Federal Advisory Committee Act (5 U.S.C. App. 2), and regulations implementing those laws (29 CFR 1912a, 41 CFR part 101-6 and 102-3).

NACOSH is comprised of 12 members, all of whom the Secretary appoints (29 CFR 1912a.2). The composition of the Committee and categories of new members to be appointed are as follows:

- Four public representatives—two will be appointed;
- Two management representatives—one will be appointed;

- Two labor representatives—two will be appointed;

- Two occupational safety professional representatives—one will be appointed; and,

- Two occupational health professional representatives—one will be appointed.

Pursuant to 29 CFR 1912a.2, HHS will designate one public and one occupational health professional for appointment by the Secretary. OSHA will provide to HHS all nominations and supporting materials for those membership categories.

NACOSH members serve for staggered of two-year terms, unless the member becomes unable to serve, resigns, ceases to be qualified to serve, or is removed by the Secretary of Labor. If a vacancy occurs before a term expires, the Secretary may appoint a new member who represents the same interest as the predecessor to serve for the remainder of the unexpired term. The committee meets at least two times a year (29 CFR 1912a.4).

Any individual or organization may nominate one or more qualified persons for membership. Nominations must include the nominee's name, occupation or current position, and contact information. The nomination also must identify the category that the candidate is qualified to represent, and include a resume of the nominee's background, experience, and qualifications. In addition, the nomination must state that the nominee is aware of the nomination and is willing to serve on NACOSH for a two-year term.

NACOSH members will be selected upon the basis of their knowledge, experience and competence in the field of occupational safety and health (29 CFR 1912a.2). The information received through this nomination process, in addition to other relevant sources of information, will assist the Secretary in appointing members to serve on NACOSH. In selecting NACOSH members, the Secretary will consider individuals nominated in response to this **Federal Register** notice, as well as other qualified individuals.

Before candidates are appointed, the U.S. Department of Labor (Department) conducts a basic background check using publicly available, Internet-based sources.

The Department is committed to bringing greater diversity of thought, perspective and experience to its advisory committees. In addition, the Department encourages nominees of all races, gender, age, disabilities and sexual orientation to apply.
