Rule 15c2-1; SEC File No. 270-418; OMB Control No. 3235-0485.

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission (“Commission”) is soliciting comments on the existing collection of information provided for in Rule 15c2-1, (17 CFR 240.15c2-1), under the Securities Exchange Act of 1934 (15 U.S.C. 78a *et seq.*). The Commission plans to submit this existing collection of information to the Office of Management and Budget for extension and approval.

Rule 15c2-1 prohibits the commingling under the same lien of securities of margin customers (a) with other customers without their written consent and (b) with the broker or dealer. The rule also prohibits the rehypothecation of customers’ margin securities for a sum in excess of the customer’s aggregate indebtedness. Pursuant to Rule 15c2-1, respondents must collect information necessary to prevent the rehypothecation of customer securities in contravention of the rule, issue and retain copies of notices of hypothecation of customer securities in accordance with the rule, and collect written consents from customers in accordance with the rule. The information is necessary to ensure compliance with the rule, and to advise customers of the rule’s protections.

There are approximately 102 respondents (*i.e.*, broker-dealers that

carry or clear customer accounts that also have bank loans) that require an aggregate total of 2,295 hours to comply with the rule. Each of these approximately 102 registered broker-dealers makes an estimated 45 annual responses. Each response takes approximately 0.5 hours to complete. Thus, the total compliance burden per year is 2,295 burden hours.

Written comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; (b) the accuracy of the Commission’s estimates of the burden of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information on respondents; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.

The Commission may not conduct or sponsor a collection of information unless it displays a currently valid control number. No person shall be subject to any penalty for failing to comply with a collection of information subject to the PRA that does not display a valid Office of Management and Budget (OMB) control number.

Please direct your written comments to: Thomas Bayer, Director/Chief Information Officer, Securities and Exchange Commission, c/o Remi Pavlik-Simon, 6432 General Green Way, Alexandria, Virginia 22312 or send an e-mail to: PRA_Mailbox@sec.gov.

Secretary.

Form N-PX, SEC File No. 270-524, OMB Control No. 3235-0582.

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*) the Securities and Exchange Commission (the “Commission”) is soliciting comments on the collection of information summarized below. The Commission plans to submit this existing collection of information to the Office of Management and Budget for extension and approval.

The title for the collection of information is “Form N-PX (17 CFR 274.129) under the Investment Company Act of 1940, Annual Report of Proxy Voting Record.” Rule 30b1-4 (17 CFR 270.30b1-4) under the Investment Company Act of 1940 (15 U.S.C. 80a-1 *et seq.*) requires every registered management investment company, other than a small business investment company registered on Form N-5 (“Funds”), to file Form N-PX not later than August 31 of each year. Funds use Form N-PX to file annual reports with the Commission containing their complete proxy voting record for the most recent twelve-month period ended June 30.

The Commission estimates that there are approximately 2,500 Funds registered with the Commission, representing approximately 10,000 Fund portfolios, which are required to file Form N-PX.¹ The 10,000 portfolios are comprised of 6,200 portfolios holding equity securities and 3,800 portfolios holding no equity securities. The staff estimates that portfolios holding no equity securities require approximately a 0.17 hour burden per response and those holding equity securities require 7.2 hours per response. The overall estimated annual burden is therefore approximately 45,300 hours ((6,200 responses × 7.2 hours per response for equity holding portfolios) + (3,800 responses × 0.17 hours per response for non-equity holding portfolios)). Based on the estimated wage rate, the total cost to the industry of the hour burden for complying with Form N-PX would be approximately \$14.5 million.

The Commission also estimates that portfolios holding equity securities will bear an external cost burden of \$1,000 per portfolio to prepare and update Form N-PX. Based on this estimate, the

¹ The estimate of 2,500 Funds is based on the number of management investment companies currently registered with the Commission. We estimate, based on data from the Investment Company Institute and other sources, that there are approximately 5,700 Fund portfolios that invest primarily in equity securities, 500 “hybrid” or bond portfolios that may hold some equity securities, 3,200 bond Funds that hold no equity securities, and 600 money market Funds, for a total of 10,000 portfolios required to file Form N-PX.
