AGENCY: Bureau of International Labor Affairs, Department of Labor.

ACTION: Announcement of public availability of updated list of goods.

SUMMARY: This notice announces the publication of an updated list of goods—along with countries of origin—that the Bureau of International Labor Affairs (ILAB) has reason to believe are produced by child labor or forced labor in violation of international standards. ILAB is required to develop and make available to the public the List pursuant to the Trafficking Victims Protection Reauthorization Act (TVPRA) of 2005.

FOR FURTHER INFORMATION CONTACT: Director, Office of Child Labor, Forced Labor, and Human Trafficking, Bureau of International Labor Affairs, U.S. Department of Labor at (202) 693-4843 (this is not a toll-free number).

SUPPLEMENTARY INFORMATION: The Bureau of International Labor Affairs announces the publication of a second update to the *List of Goods Produced by Child Labor or Forced Labor* (List), pursuant to the TVPRA of 2005. The TVPRA mandated that ILAB develop and publish a list of goods from countries that ILAB “has reason to believe are produced with child labor or forced labor in violation of international standards.” ILAB published the initial List on September 10, 2009, and published its first update on December 15, 2010. This update adds 2 new goods and 1 new country to the List and adds additional products from countries already on the list. With this update, the List has a total of 130 goods from 71 countries.

The primary purposes of the List are to raise public awareness about the incidence of child labor and forced labor in the production of goods in the countries listed and to promote efforts to eliminate such practices. A full report, including the updated List and a discussion of the List's context, scope, methodology, and limitations, as well as Frequently Asked Questions and a bibliography of sources, are available on the DOL Web site at: <http://www.dol.gov/ilab/programs/ocft/tvpra.htm>.
