The selected lessee will finance, design, develop, renovate, manage, maintain and operate the EUL development. As consideration for the lease, the lessee will be required to renovate, operate, and maintain a permanent supportive housing facility; provide preference and priority placement for homeless Veterans and Veterans at risk of homelessness; and provide a supportive services program that guides resident Veterans toward attaining long-term self-sufficiency.

This project meets this requirement.

Approved: September 26, 2011.

Secretary of Veterans Affairs.
