SUPPLEMENTARY INFORMATION:

I. Background

Wagner-Peyser regulations at 20 CFR 651, 653, and 658 set forth requirements to ensure that Migrant and Seasonal Farmworkers (MSFWs) receive services that are qualitatively equivalent and quantitatively proportionate to the services provided to non-MSFWs. In

compliance with 20 CFR 653.109, the Department of Labor established record keeping requirements to allow for the efficient and effective monitoring of State Workforce Agencies' (SWA) regulatory compliance. The ETA Form 5148, Services to Migrant and Seasonal Farmworkers Report, is used to collect data which are primarily used to monitor and measure the extent and effectiveness of SWA service delivery to MSFWs. The ETA Form 8429, One-Stop Career Center Complaint/Referral Record, is used to collect and document complaints filed by MSFWs and non-MSFWs pursuant to the regulatory framework established at 20 CFR 658.400.

II. Desired Focus of Comments

Currently, ETA is soliciting comments concerning the proposed extension of the Services to Migrant and Seasonal Farm Workers Report, ETA Form 5148, and the One-Stop Career Center Complaint/Referral Record, ETA Form 8429 to March 1, 2015, which:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Enhance the quality, utility, and clarity of the information to be collected; and
- Minimize the burden of the collection of information on those who are to respond by including the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submissions of responses.

A copy of the proposed Information Collection Request (ICR) can be obtained by contacting the office listed above in the addressee section of this notice.

III. Current Actions

Type of Review: Extension with revision of a currently approved collection.

Agency: Employment and Training Administration.

Comments: Not all complaints that are logged utilize the Employment Service Complaint/Referral Record, ETA Form 8429. The SWA's are only required to utilize this form for MSFW complaints and ES related complaints from non-MSFWs. Based upon contacts with those states with the highest level of reported complaint activity, we believe that approximately 3,000 complaints were captured on the ETA Forms 8429 in the previous program year.

5148 Report

1. Recordkeeping

Number of record-keepers: 50 states.
Annual number of records: 200 (record keepers = 50 × reports = 4 = 200).

Estimated Total Burden Hours for ETA 5148: 533 (233 + 300).

Estimated Total Burden Cost: \$172,211:

	Total annual hours	One FTE	FTE	Annual salary	Total burden cost
SMA—5148	533	1,920	0.28	\$65,000	\$18,044

	Total annual hours	One FTE	FTE	Annual salary	Total burden cost
Local OSC—8429	6,000	1,920	3.13	45,000	140,625
SMA—8429	400	1,920	0.21	65,000	13,542
Total Burden Cost for 8429 & 5148	172,211

A local One-Stop Center Record Keeper average annual salary is \$45,000 and for the State Monitor Advocate

(SMA) is \$65,000 for Record Keeping, Processing, Compilation and Reporting

on ETA 8429 and ETA 5148 respectively.

Hours per day	Working days	Monthly hours	Months in year	Hours per year
8	20	160	12	1,920

Comments: The calculations are based on a normal work week for most jobs are 8 hours a day for 5 days.

There are 52 weeks in a year but most workers get a two week vacation. So, $8 \times 5 \times 50 = 2000$ hours worked in a year.

Many companies also give 10 holidays, which brings it down to: $8 \times 5 \times 48 = 1920$.

Also the calculations are based on the average median salary of one local one-stop center record keeper's of \$45,000 per year and the average median salary of a State Monitor Advocate of \$65,000 per year, and the estimated hours expended in record keeping and processing on ETA Form 8429 and ETA Form 5148 respectively, providing the grand total of burden cost reflected above.

Comments submitted in response to this notice will be summarized and/or included in the request for Office of Management and Budget approval of the information collection request; they will also become a matter of public record.

Dated: Washington, DC, this 21st day of September, 2011.

Jane Oates,

Assistant Secretary, Employment and Training Administration.
