In accordance with 19 CFR 351.213(b), an interested party as defined by section 771(9) of the Act may request in writing that the Secretary conduct an administrative review. For both antidumping and countervailing duty reviews, the interested party must specify the individual producers or exporters covered by an antidumping finding or an antidumping or countervailing duty order or suspension agreement for which it is requesting a review. In addition, a domestic interested party or an interested party described in section 771(9)(B) of the Act must state why it desires the Secretary to review those particular producers or exporters.² If the interested party intends for the Secretary to review sales of merchandise by an exporter (or a producer if that producer also exports merchandise from other suppliers) which were produced in more than one country of origin and each country of origin is subject to a separate order, then the interested party must state specifically, on an order-by-order basis, which exporter(s) the request is intended to cover.

Please note that, for any party the Department was unable to locate in prior segments, the Department will not accept a request for an administrative review of that party absent new information as to the party's location. Moreover, if the interested party who files a request for review is unable to locate the producer or exporter for which it requested the review, the interested party must provide an explanation of the attempts it made to locate the producer or exporter at the same time it files its request for review, in order for the Secretary to determine if the interested party's attempts were reasonable, pursuant to 19 CFR 351.303(f)(3)(ii).

As explained in *Antidumping and Countervailing Duty Proceedings: Assessment of Antidumping Duties*, 68 FR 23954 (May 6, 2003), the Department

has clarified its practice with respect to the collection of final antidumping duties on imports of merchandise where intermediate firms are involved. The public should be aware of this clarification in determining whether to request an administrative review of merchandise subject to antidumping findings and orders. See also the Import Administration Web site at <http://ia.ita.doc.gov>.

All requests must be filed electronically in Import Administration's Antidumping and Countervailing Duty Centralized Electronic Service System ("IA ACCESS") on the IA ACCESS Web site at <http://iaaccess.trade.gov>. See *Antidumping and Countervailing Duty Proceedings: Electronic Filing Procedures; Administrative Protective Order Procedures*, 76 FR 39263 (July 6, 2011). Further, in accordance with 19 CFR 351.303(f)(1)(i), a copy of each request must be served on the petitioner and each exporter or producer specified in the request.

The Department will publish in the **Federal Register** a notice of "Initiation of Administrative Review of Antidumping or Countervailing Duty Order, Finding, or Suspended Investigation" for requests received by the last day of October 2011. If the Department does not receive, by the last day of October 2011, a request for review of entries covered by an order, finding, or suspended investigation listed in this notice and for the period identified above, the Department will instruct the CBP to assess antidumping or countervailing duties on those entries at a rate equal to the cash deposit of (or bond for) estimated antidumping or countervailing duties required on those entries at the time of entry, or withdrawal from warehouse, for consumption and to continue to collect the cash deposit previously ordered.

For the first administrative review of any order, there will be no assessment of antidumping or countervailing duties

on entries of subject merchandise entered, or withdrawn from warehouse, for consumption during the relevant provisional-measures "gap" period, of the order, if such a gap period is applicable to the period of review.

This notice is not required by statute but is published as a service to the international trading community.

Dated: September 26, 2011.

Christian Marsh,

Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.

Certain Frozen Fish Fillets From the Socialist Republic of Vietnam: Initiation of New Shipper Reviews

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

DATES: *Effective Date:* October 3, 2011.

SUMMARY: The Department of Commerce ("Department") has determined that the three requests for new shipper reviews of the antidumping duty order on certain frozen fish fillets from the Socialist Republic of Vietnam, received between August 3, 2011 and August 16, 2011 meet the statutory and regulatory requirements for initiation. The period of review ("POR") of these new shipper reviews is August 1, 2010–July 31, 2011.

FOR FURTHER INFORMATION CONTACT: Jamie Blair-Walker, AD/CVD Operations, Office 9, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone: (202) 482-2615.

SUPPLEMENTARY INFORMATION:

Background

The antidumping duty order on certain frozen fish fillets from the Socialist Republic of Vietnam was published in the **Federal Register** on August 12, 2003. *See Notice of Antidumping Duty Order: Certain Frozen Fish Fillets From the Socialist Republic of Vietnam*, 68 FR 47909 (August 12, 2003). On August 3, 4, and 16, 2011, respectively, we received a timely request for a new shipper review from An Phu Seafood Corporation ("An Phu"), GODACO Seafood Joint Stock Company ("GODACO"), and DOCIFISH Corporation ("DOCIFISH"). All three new shipper requests were filed in accordance with 19 CFR 351.214(c) and 351.214(d)(1). On August 25, 2011, An Phu responded to the Department's August 19, 2011, supplemental questionnaire. The questionnaire and corresponding response concerned the

need for clarification regarding certain information observed in data obtained by the Department from U.S. Customs and Border Protection ("CBP"). The Department found no issue with the response given by An Phu. An Phu, GODACO, and DOCIFISH have certified that they are both the producers and exporters of the subject merchandise upon which the requests for the new shipper review are based.

Initiation of New Shipper Reviews

Pursuant to section 751(a)(2)(B)(i)(I) of the Tariff Act of 1930, as amended ("Act"), and 19 CFR 351.214(b)(2), An Phu, GODACO, and DOCIFISH certified that they did not export certain frozen fish fillets to the United States during the period of investigation ("POI"). Pursuant to section 751(a)(2)(B)(i)(II) of the Act and 19 CFR 351.214(b)(2)(iii)(A), An Phu, GODACO, and DOCIFISH certified that, since the initiation of the less-than-fair-value investigation, they have never been affiliated with any exporter or producer who exported certain frozen fish fillets to the United States during the POI, including those not individually examined during the less-than-fair-value investigation. As required by 19 CFR 351.214(b)(2)(iii)(B), An Phu, GODACO, and DOCIFISH have also certified that their export activities are not controlled by the central government of Vietnam.

In addition to the certifications described above, An Phu, GODACO, and DOCIFISH submitted documentation establishing the following: (1) The date on which the company first shipped certain frozen fish fillets for export to the United States and the date on which the certain frozen fish fillets first entered, or withdrawn from warehouse, for consumption; (2) the volume of the company's first shipment; and (3) the date of the company's first sales to an unaffiliated customer in the United States.

Pursuant to section 751(a)(2)(B) of the Act and 19 CFR 351.214(d)(1), we are initiating these new shipper reviews for shipments of certain frozen fish fillets from Vietnam produced and exported by An Phu, GODACO, and DOCIFISH.
