MILLENNIUM CHALLENGE CORPORATION

[MCC FR 11-10]

Report on the Criteria and Methodology for Determining the Eligibility of Candidate Countries for Millennium Challenge Account Assistance in Fiscal Year 2011

AGENCY: Millennium Challenge Corporation.

ACTION: Notice.

SUMMARY: This report to Congress is provided in accordance with Section 608(b) of the Millennium Challenge Act of 2003, as amended, 22 U.S.C. 7707(b) (the “Act”).

Dated: September 29, 2011.

Melvin F. Williams, Jr.,

VP/General Counsel and Corporate Secretary, Millennium Challenge Corporation.

Report on the Criteria and Methodology for Determining the Eligibility of Candidate Countries for Millennium Challenge Account Assistance in Fiscal Year 2012

Summary

This report to Congress is provided in accordance with section 608(b) of the Millennium Challenge Act of 2003, as amended, 22 U.S.C. 7707(b) (the “Act”).

The Act authorizes the provision of Millennium Challenge Account (“MCA”) assistance to countries that enter into a Millennium Challenge Compact with the United States to

support policies and programs that advance the prospects of such countries achieving lasting economic growth and poverty reduction. The Act requires the Millennium Challenge Corporation (“MCC”) to take a number of steps in determining what countries will be selected as eligible for MCA compact assistance for fiscal year 2012 (“FY12”) based on the countries’ demonstrated commitment to just and democratic governance, economic freedom, and investing in their people, as well as MCC’s opportunity to reduce poverty and generate economic growth in the country. These steps include the submission of reports to the congressional committees specified in the Act and publication of notices in the Federal Register that identify:

The countries that are “candidate countries” for MCA assistance for FY12 based on their per-capita income levels and their eligibility to receive assistance under U.S. law. This report also identifies countries that would be candidate countries but for specified legal prohibitions on assistance (section 608(a) of the Act; 22 U.S.C. § 7707(a));

The criteria and methodology that MCC’s Board of Directors (“the Board”) will use to measure and evaluate the policy performance of the candidate countries consistent with the requirements of section 607 of the Act (22 U.S.C. 7706) in order to determine “MCA eligible countries” from among the “candidate countries” (section 608(b) of the Act); and

The list of countries determined by the Board to be “MCA eligible countries” for FY12, with justification for eligibility determination and selection for compact negotiation, including which of the MCA eligible countries the Board will seek to enter into MCA compacts (section 608(d) of the Act).

This report sets out the criteria and methodology to be applied in determining eligibility for FY12 MCA assistance.

Criteria and Methodology for FY12

The Board will base its selection of eligible countries on several factors including the country’s overall performance in three broad policy categories—Ruling Justly, Encouraging Economic Freedom, and Investing in People; MCC’s opportunity to reduce poverty and generate economic growth in a country; and the availability of funds to MCC.

Section 607 of the Act requires that the Board’s determination of eligibility be based “to the maximum extent possible, upon objective and quantifiable indicators of a country’s
