

Care Act. Due to the complexity of the issue, the Committee requested an additional meeting for a final review of the key decisions and draft report prior to its submission to the Secretary by October 31, 2011. The logistical challenges of scheduling an additional meeting after it was requested in August 2011 hindered an earlier publication of this meeting notice.

Dated: September 27, 2011.

Reva Harris,

Acting Director, Division of Policy and Information Coordination.
