POSTAL SERVICE

Privacy Act of 1974; System of Records

AGENCY: Postal Service.™

ACTION: Notice of modification to existing system of records.

SUMMARY: The United States Postal Service® is proposing to modify one of its General Privacy Act Systems of Records: USPS 880.000, Post Office and Retail Services. These modifications reflect the changes that have been made

in providing alternate access to customers such as "Village Post Offices," which are operated by community businesses to provide selected postal products and services and Post Office Box™ service at or near the business location.

DATES: The revision will become effective without further notice on November 4, 2011, unless comments received on or before that date result in a contrary determination.

ADDRESSES: Comments may be mailed or delivered to the Records Office, United States Postal Service, 475 L'Enfant Plaza, SW., Room 4541, Washington, DC 20260-2201. Copies of all written comments will be available

at this address for public inspection and photocopying between 8 a.m. and 4 p.m., Monday through Friday.

FOR FURTHER INFORMATION CONTACT: Jane Eyre, Manager, Records Office, 202-268-2608.

SUPPLEMENTARY INFORMATION: This notice is in accordance with the Privacy Act requirement that agencies publish their amended systems of records in the **Federal Register** when there is a revision, change, or addition. The Postal Service has reviewed its systems of records and has determined that the Post Office and Retail Services records system should be revised to modify the following sections: System location, categories of individuals covered by the

system, categories of records in the system, purposes, retention and disposal, and system manager(s) and address.

I. Background

Over the past 5 years, the Postal Service has continued to experience a decline in mail volume and has had to reduce costs due to the decline. The Postal Service is seeking to optimize its retail network by reducing its traditional footprint of retail offices and expanding access locations to grocery or drug stores, office supply stores, retail chains, and self-service kiosks. By working with third-party retailers, the Postal Service is creating easier, more convenient access to its products and services when and where its customers want them.

II. Rationale for Changes to USPS Privacy Act Systems of Records

In the ever changing world, consumers want more options for obtaining secure and convenient delivery of their packages. The Postal Service will be providing secure alternate delivery to its customers in the future and is making these proposed changes to reflect those demands. Also, system owners are being updated due to changes in international claims processing.

III. Description of Changes to System of Records

The Postal Service is modifying one system of records: USPS 880.000, Post Office and Retail Services. Pursuant to 5 U.S.C. 552a(e)(11), interested persons are invited to submit written data, views, or arguments on this proposal. A report of the proposed modification has been sent to Congress and to the Office of Management and Budget for their evaluation. The Postal Service does not expect this amended notice to have any adverse effect on individual privacy rights. The Postal Service proposes amending the system as shown below:

SECURITIES AND EXCHANGE COMMISSION

[SEC File No. 270-240; OMB Control No. 3235-0216]

Rule 19a-1 Extension; Proposed Collection; Comment Request

Upon Written Request, Copies Available From: Securities and Exchange Commission, Office of Investor Education and Advocacy, Washington, DC 20549-0213.

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501-3520), the Securities and Exchange Commission (the "Commission") is soliciting comments on the collection of information summarized below. The Commission plans to submit this existing collection of information to the Office of Management and Budget for extension and approval.

Section 19(a) (15 U.S.C. 80a-19(a)) of the Investment Company Act of 1940 (the "Act")¹ makes it unlawful for any registered investment company to pay any dividend or similar distribution from any source other than the company's net income, unless the payment is accompanied by a written statement to the company's shareholders which adequately discloses the sources of the payment. Section 19(a) authorizes the Commission to prescribe the form of such statement by rule.

Rule 19a-1 (17 CFR 270.19a-1) under the Act, entitled "Written Statement to Accompany Dividend Payments by Management Companies," sets forth specific requirements for the information that must be included in statements made pursuant to section 19(a) by or on behalf of management companies.² The rule requires that the statement indicate what portions of distribution payments are made from net income, net profits from the sale of a security or other property ("capital gains") and paid-in capital. When any part of the payment is made from capital gains, rule 19a-1 also requires that the statement disclose certain other information relating to the appreciation or depreciation of portfolio securities. If an estimated portion is subsequently determined to be significantly inaccurate, a correction must be made on a statement made pursuant to section 19(a) or in the first report to

¹ 15 U.S.C. 80a.

² Section 4(3) of the Act (15 U.S.C. 80a-4(3)) defines "management company" as "any investment company other than a face amount certificate company or a unit investment trust."
