SUPPLEMENTARY INFORMATION:

Regulatory Information

The Coast Guard is issuing this temporary final rule without prior notice and opportunity to comment pursuant to authority under section 4(a) of the Administrative Procedure Act (APA) (5 U.S.C. 553(b)). This provision authorizes an agency to issue a rule without prior notice and opportunity to comment when the agency for good cause finds that those procedures are “impracticable, unnecessary, or contrary to the public interest.” Under 5 U.S.C. 553(b)(B), the Coast Guard finds that good cause exists for not publishing a notice of proposed rulemaking (NPRM) with respect to this rule because any delay encountered in this regulation’s effective date by publishing an NPRM would be contrary to public interest since immediate action is needed to protect both spectators and participants from the potential safety hazards associated with these events. We spoke to the event sponsors, and they are unable and unwilling to move their event dates for the following reasons.

The sponsor for GDM Chamber of Commerce Annual Music Festival Fireworks submitted a marine event application with sufficient notice to the Coast Guard. This fireworks display is a recurring marine event with a corresponding entry in a proposed permanent rule for which the NPRM just closed its public comment period
