Notice of Realty Action: Direct Sale of Public Land in Shasta County, CA

AGENCY: Bureau of Land Management, Interior.

ACTION: Notice of Realty Action.

SUMMARY: The Bureau of Land Management (BLM), Redding Field

Office, proposes to sell a parcel of public land consisting of 160.03 acres, more or less, in Shasta County, California. The public land would be sold to the County of Shasta for the appraised fair market value of \$176,000.

DATES: Written comments regarding the proposed sale must be received by the BLM on or before November 25, 2011.

ADDRESSES: Written comments concerning the proposed sale should be sent to the Field Manager, BLM Redding Field Office, 355 Hemsted Drive, Redding, California 96002.

FOR FURTHER INFORMATION CONTACT:

Ilene Emry, Realty Specialist, BLM Redding Field Office, 355 Hemsted Drive, Redding, California 96002, phone (530) 224-2122 or visit the Web site at <http://www.blm.gov/ca/st/en/prog/lands.html>. Persons who use a

telecommunications device for the deaf (TDD) may call the Federal Information Relay Service (FIRS) at 1-800-877-8339 to contact the above individual during normal business hours. The FIRS is available 24 hours a day, 7 days a week, to leave a message or question with the above individual. You will receive a reply during normal business hours.

SUPPLEMENTARY INFORMATION: The following parcel of public land is being proposed for direct sale to the County of Shasta in accordance with Sections 203 and 209 of the Federal Land Policy and Management Act of 1976 (FLPMA), as amended (43 U.S.C. 1713 and 1719).

Mount Diablo Meridian

T. 30 N., R. 6 W.,

Sec. 4, lots 1 and 2 in the NE¼.

The area described contains 160.03 acres, more or less, in Shasta County.

The public land was first identified as suitable for disposal by exchange in the 1993 BLM Redding Resource Management Plan (RMP). The Redding RMP was amended in 2005 to identify the land as available for sale. The land is not needed for any other Federal purpose, and its disposal would be in the public interest. The purpose of the sale is to dispose of public land which is difficult and uneconomic to manage as part of the public lands because it is isolated from other public lands in the area. The BLM is proposing a direct sale to the County of Shasta that wants to acquire the land as a buffer area to preclude incompatible development near its existing landfill on adjacent non-Federal land. The sale of this land to the County of Shasta would serve an important public objective, therefore a competitive sale is not considered appropriate. The BLM has completed a mineral potential report which concluded the land proposed for sale
