These comments must be filed in accordance with the same filing deadlines as comments filed in response to this Notice of Proposed Rulemaking as set forth on the first page of this document and have a separate and distinct heading designating them as responses to the IRFA.

E. Paperwork Reduction Act Analysis

125. The Notice of Proposed Rulemaking contains proposed new information collection requirements. The Commission, as part of its continuing effort to reduce paperwork burdens, invites the general public and OMB to comment on the information collection requirements contained in this document, as required by Paperwork Reduction Act. In addition, pursuant to the Small Business Paperwork Relief Act of 2002, we seek specific comment on how we might “further reduce the information collection burden for small business concerns with fewer than 25 employees.”

- Propose which regulations should be modified, streamlined, expanded, or repealed;
- Provide evidentiary support to help the Board analyze the costs and benefits (both quantitative and qualitative) of any proposed changes; and
- Suggest an appropriate timeframe for conducting the next retrospective review of the agency’s regulations and reporting requirements.
