

no specific information regarding the trading activity of non-subscribers. The Exchange believes that the above arrangement will provide Users of the Exchange with greater transparency into the processing of their trading activity and allow them to make more efficient trading decisions.

In addition, the Exchange proposes to establish a flexible 60-day free trial so parties will be eligible for one free 60-day trial period of Correlix services whenever they initially elect to sign-up for the service, now or in the future. The Exchange is proposing the flexible trial to ensure that all Correlix subscribers have an equal opportunity to take advantage of an initial free trial period.

2. Statutory Basis

The Exchange believes that its proposal is consistent with Section 6(b) of the Act,⁶ in general, and furthers the objectives of Section 6(b)(5) of the Act,⁷ in particular, in that it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system and, in general, to protect investors and the public interest. The Exchange believes the proposed rule will provide greater transparency into trade and information processing and thus allow market participants to make better-informed and more efficient trading decisions.

In addition, the Exchange believes that the proposed rule change is consistent with the provisions of Section 6 of the Act,⁸ in general, and with Section 6(b)(4) of the Act,⁹ in particular, in that it provides for the equitable allocation of reasonable dues, fees and other charges among members and issuers and other persons using any facility or system that the Exchange operates or controls. In particular, the Exchange notes that it operates in a highly competitive market in which market participants can readily direct orders to competing venues and that use of the Correlix RaceTeam product is completely voluntary. Further, the Exchange will make the RaceTeam product uniformly available pursuant to a standard non-discriminatory pricing schedule offered by Correlix and will

offer the free trial period on a uniform and non-discriminatory basis.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change imposes any burden on competition.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

The Exchange has neither solicited nor received written comments on the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Commission (“Commission”) the proposed rule change as described in Items I, II and III below, which Items have been prepared by the Exchange. The Exchange has designated the proposed rule change as one establishing or changing a member due, fee, or other charge imposed by the Exchange under Section 19(b)(3)(A)(ii) of the Act³ and Rule 19b-4(f)(2) thereunder,⁴ which renders the proposed rule change effective upon filing with the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend the fee schedule applicable to Members⁵ and non-members of the Exchange pursuant to BATS Rules 15.1(a) and (c). While changes to the fee schedule pursuant to this proposal will be effective upon filing, the changes will become operative on October 3, 2011.

The text of the proposed rule change is available at the Exchange’s Web site at <http://www.batstrading.com>, at the principal office of the Exchange, and at the Commission’s Public Reference Room.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in Sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to modify the “Equities Pricing” section of its fee schedule effective October 3, 2011, in order to modify pricing related to executions that occur on EDGA EXCHANGE, Inc. (“EDGA”) through the

Exchange’s TRIM routing strategy.⁶ EDGA is implementing certain pricing changes effective October 3, 2011, including modification of the fee to remove liquidity from \$0.0006 per share to \$0.0007 per share. To maintain a direct pass through of the applicable cost to execute at EDGA, the Exchange proposes to charge \$0.0007 per share for an order routed through its TRIM routing strategy and executed on EDGA.

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with the requirements of the Act and the rules and regulations thereunder that are applicable to a national securities exchange, and, in particular, with the requirements of Section 6 of the Act.⁷ Specifically, the Exchange believes that the proposed rule change is consistent with Section 6(b)(4) of the Act,⁸ in that it provides for the equitable allocation of reasonable dues, fees and other charges among members and other persons using any facility or system which the Exchange operates or controls. The Exchange notes that it operates in a highly competitive market in which market participants can readily direct order flow to competing venues if they deem fee levels at a particular venue to be excessive. The Exchange believes that the proposed change to one of the Exchange’s non-standard routing fees and strategies is competitive, fair and reasonable, and non-discriminatory in that it is equally applicable to all Members and is designed to mirror the cost applicable to the execution if such routed orders were executed directly by the Member at EDGA Exchange.

B. Self-Regulatory Organization’s Statement on Burden on Competition

The Exchange does not believe that the proposed rule change imposes any burden on competition.

C. Self-Regulatory Organization’s Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were solicited or received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Pursuant to Section 19(b)(3)(A)(ii) of the Act⁹ and Rule 19b-4(f)(2) thereunder,¹⁰ the Exchange has

designated this proposal as establishing or changing a due, fee, or other charge applicable to the Exchange’s Members and non-members, which renders the proposed rule change effective upon filing.

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

[Release No. 34-65492; File No. SR-CBOE-2011-095]

Self-Regulatory Organizations; Chicago Board Options Exchange, Incorporated; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change To Amend the Fees Schedule To Delete Erroneous Language With Respect to the SPX Tier Appointment

October 6, 2011.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the "Act")¹ and Rule 19b-4 thereunder,² notice is hereby given that on October 3, 2011, the Chicago Board Options Exchange, Incorporated (the "Exchange" or "CBOE") filed with the Securities and Exchange Commission (the "Commission") the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend its Fees Schedule to delete erroneous language from the section discussing SPX Tier Appointment fees. The text of the proposed rule change is available on the Exchange's Web site (<http://www.cboe.org/legal>), at the Exchange's Office of the Secretary, and at the Commission.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to amend its Fees Schedule to delete erroneous language from the section discussing SPX Tier Appointment fees. The Fees Schedule currently states that the "SPX Tier Appointment fee will be assessed to any Market-Maker Trading Permit Holder that * * * conducts any open outcry transactions in SPX or any open outcry or electronic transaction in SPX Weeklys at any time during a calendar month." This means that a Market-Maker Trading Permit Holder that does not have an SPX tier appointment could still be charged the SPX Tier Appointment fee for conducting any electronic transaction in SPX Weeklys. However, because Market-Makers cannot trade electronically in SPX without a tier appointment, it would be impossible to assess this fee to a Market-Maker Trading Permit Holder that does not have an SPX tier appointment but conducts any electronic transaction in SPX Weeklys. Indeed, the Exchange has never charged the SPX Tier Appointment fee in this circumstance (it would be impossible to do so), and the inclusion of such possibility on the Fees Schedule was an error. The Exchange therefore would like to delete such statement from the Fees Schedule and alleviate any confusion.

2. Statutory Basis

The proposed rule change is consistent with Section 6(b) of the Act³ in general, and furthers the objectives of Section 6(b)(5)⁴ of the Act in particular, in that it is designed to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in

general, to protect investors and the public interest, by alleviating confusion regarding the impossible imposition of the SPX Tier Appointment fee on a Market-Maker Trading Permit Holder who does not hold an SPX tier appointment but conducts electronic transactions in SPX Weeklys.

B. Self-Regulatory Organization's Statement on Burden on Competition

CBOE does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The proposed rule change is designated by the Exchange as establishing or changing a due, fee, or other charge, thereby qualifying for effectiveness on filing pursuant to Section 19(b)(3)(A) of the Act⁵ and subparagraph (f)(2) of Rule 19b-4⁶ thereunder. At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

Electronic Comments

- Use the Commission's Internet comment form (<http://www.sec.gov/rules/sro.shtml>); or
- Send an e-mail to rule-comments@sec.gov. Please include File Number SR-CBOE-2011-095 on the subject line.
