SECURITIES AND EXCHANGE COMMISSION

Self-Regulatory Organizations: International Securities Exchange, LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change Relating to a Market Maker Incentive Plan for Foreign Currency Options

October 11, 2011.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the “Act”) and Rule 19b–4 thereunder,2 the Securities and Exchange Commission is publishing this notice to solicit comments on the proposed rule change from interested persons. The self-regulatory organization has prepared summaries, set forth in sections A, B and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The purpose of the proposed rule change is to extend an incentive plan for market makers in options on the New Zealand dollar ("NZD"), the Mexican peso ("PZO"), the Swedish krona ("SKA"), the Brazilian real ("BRR"), the Australian dollar ("AUX"), the British pound ("BPX"), the Canadian dollar ("CDD"), the euro ("EUI"), the Japanese yen ("YUK") and the Swiss franc ("SFC").3 On August 3, 2009, the Exchange adopted an incentive plan applicable to market makers in NZD, PZO and SKA,4 and on January 19, 2010, added BRB to the incentive plan,5 and on March 1, 2011, added AUX, BPX, CDD, EUI, YUK and SFC.6 The Exchange has since extended the date by which market makers may join the incentive plan and now proposes to do so again.

In order to promote trading in these FX Options, the Exchange has an incentive plan pursuant to which the Exchange waives the transaction fees for the Early Adopter7 and all BPX, CDD, EUI, YUK and SFC.6 The Exchange believes that the proposed rule change is reasonable because the extension of the incentive plan for three months will permit additional market makers to explore the opportunity to join the incentive plan for an additional three months. The Exchange believes the proposed rule change is reasonable because the extension of the incentive plan for three months will permit additional market makers to join the incentive plan which in turn will generate additional order flow to the Exchange by creating incentives to trade these FX Options as well as defray operational costs for Early Adopter Market Makers.

B. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The ISE is proposing to extend an incentive plan for market makers in a number of foreign currency options (“FX Options”) traded on the Exchange. The text of the proposed rule change is available on the Exchange’s Web site (http://www.ise.com), at the principal office of the Exchange, and at the Commission’s Public Reference Room.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The self-regulatory organization has prepared summaries, set forth in sections A, B and C below, of the most significant aspects of such statements.

5 ISE Rule 2213.
8 Participants in the incentive plan are known on the Exchange’s Schedule of Fees as Early Adopter Market Makers.
9 A FXPWM is a primary market maker selected by the Exchange that trades and quotes in FX Options only. See ISE Rule 2213.
10 A FXCMM is a competitive market maker selected by the Exchange that trades and quotes in FX Options only. See ISE Rule 2213.
G. Self-Regulatory Organization’s Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

The Exchange has not solicited, and does not intend to solicit, comments on this proposed rule change. The Exchange has not received any unsolicited written comments from members or other interested parties.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A)(ii) of the Act. At any time within 60 days of the filing of such proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.
