Endangered and Threatened Wildlife and Plants; Draft Revised Recovery Plan, First Revision, for Lost River Sucker and Shortnose Sucker

AGENCY: Fish and Wildlife Service, Interior.

ACTION: Notice of document availability for review and public comment.

SUMMARY: We, the Fish and Wildlife Service, announce the availability of our draft revised recovery plan, first revision, for Lost River sucker and shortnose sucker under the Endangered Species Act of 1973, as amended (Act). These fish species are found in southern Oregon and northern California. We are revising this plan because a substantial amount of new information is available related to recovery of both species, making it appropriate to incorporate new information into the recovery program. We request review and comment from local, State, and Federal agencies and the public. We will also accept any new information on the species' status throughout their ranges.

DATES: We must receive written comments on or before December 19, 2011. However, we will accept information about any species at any time.
