by law from public disclosure should submit two copies: one copy of the document including all the information believed to be confidential, and one copy of the document with the information believed to be confidential deleted. DOE will make its own determination about the confidential status of the information and treat it according to its determination.

Factors of interest to DOE when evaluating requests to treat submitted information as confidential include (1) A description of the items, (2) whether and why such items are customarily treated as confidential within the industry, (3) whether the information is generally known by or available from other sources, (4) whether the information has previously been made available to others without obligation concerning its confidentiality, (5) an explanation of the competitive injury to the submitting person which would result from public disclosure, (6) when such information might lose its confidential character due to the passage of time, and (7) why disclosure of the information would be contrary to the public interest.

Issued in Washington, DC, on October 13, 2011.

Kathleen B. Hogan,
Deputy Assistant Secretary for Energy Efficiency, Energy Efficiency and Renewable Energy.

DEPARTMENT OF ENERGY
Federal Energy Regulatory Commission

[Docket No. IC11–510–001]

Commission Information Collection Activities (FERC–510); Comment Request; Submitted for OMB Review

AGENCY: Federal Energy Regulatory Commission.

ACTION: Notice.

SUMMARY: In compliance with the requirements of section 3507 of the Paperwork Reduction Act of 1995, 44 USC 3507, the Federal Energy Regulatory Commission (Commission or FERC) has submitted the information collection described below to the Office of Management and Budget (OMB) for review of the information collection requirements. Any interested person may file comments directly with OMB and should address a copy of those comments to the Commission as explained below. The Commission issued a Notice in the Federal Register (76 FR 43996, 07/22/2011) requesting public comments. FERC received no comments on the FERC–510 and has made this notation in its submission to OMB.

DATES: Comments on the collection of information are due by November 18, 2011.

ADDRESSES: Address comments on the collection of information to the Office of Management and Budget, Office of Information and Regulatory Affairs, Attention: Federal Energy Regulatory Commission Desk Officer. Comments to OMB should be filed electronically, c/o oira_submission@omb.eop.gov and include OMB Control Number 1902–0068 for reference. The Desk Officer may be reached by telephone at 202–395–4718.

A copy of the comments should also be sent to the Federal Energy Regulatory Commission and should refer to Docket No. IC11–510–001. Comments may be filed either electronically or in paper format. Those persons filing electronically do not need to make a paper filing. Documents filed electronically via the Internet must be prepared in an acceptable filing format and in compliance with the Federal Energy Regulatory Commission submission guidelines. Complete filing instructions and acceptable filing formats are available at http://www.ferc.gov/help/submission-guide.asp. To file the document electronically, access the Commission’s Web site and click on Documents & Filing, E-Filing (http://www.ferc.gov/docs-filing/efiling.asp), and then follow the instructions for each screen. First time users will have to establish a user name and password. The Commission will send an automatic acknowledgement to the sender’s e-mail address upon receipt of comments.

For paper filings, the comments should be submitted to the Federal Energy Regulatory Commission, Secretary of the Commission, 888 First Street, NE., Washington, DC 20426, and should refer to Docket No. IC11–510–001.

Users interested in receiving automatic notification of activity in FERC Docket Number IC11–510 may do so through eSubscription at http://www.ferc.gov/docs-filing/subscription.asp. All comments may be viewed, printed or downloaded remotely via the Internet through FERC’s homepage using the “eLibrary” link. For user assistance, contact ferconlinesupport@ferc.gov or toll-free at (866) 208–3676, or for TTY, contact (202) 502–8659.
These costs apply to activities which
overhead costs are costs incurred by an
organization in support of its mission.
These costs apply to activities which
benefit the whole organization rather
than any one particular function or activity.

The estimate of cost for respondents
is $10,952 (160 hours/2080 hours per
year times $142,372 per year average per
employee = $10,952 (rounded)). The
estimated annual cost per respondent is
$685 (rounded).
The reporting burden includes the
total time, effort, or financial resources
expended to generate, maintain, retain,
disclose, or provide the information
including: (1) Reviewing instructions;
(2) developing, acquiring, installing, and
utilizing technology and systems for the
purposes of collecting, validating,
verifying, processing, maintaining,
disclosing and providing information;
(3) adjusting the existing ways to comply
with any previously applicable
instructions and requirements; (4)
training personnel to respond to a
collection of information; (5) searching
data sources; (6) completing and
reviewing the collection of information;
and (7) transmitting, or otherwise
disclosing the information.
The estimate of cost for respondents
is based upon salaries for professional
and clerical support, as well as direct
and indirect overhead costs. Direct costs
include all costs directly attributable to
providing this information, such as
administrative costs and the cost for
information technology. Indirect or
overhead costs are costs incurred by an
organization in support of its mission.
These costs apply to activities which
