The preliminary results of the review are currently due no later than October 26, 2011.

##### Extension of Time Limit for Preliminary Results

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the Act), requires the Department to complete the preliminary results within 245 days after the last day of the anniversary month of an order for which a review is requested and the final results within 120 days after the date on which the preliminary results are published. If it is not practicable to complete the review within these time periods, section 751(a)(3)(A) of the Act allows the Department to extend the time limit for the preliminary results to a maximum of 365 days after the last day of the anniversary month.

We determine that it is not practicable to complete the preliminary results of this review within the original time limit because of the complexity of issues involving the selection of surrogate country and surrogate values and because of the extensions we have granted at the request of various parties during the course of the review to submit information to the record. Therefore, we are extending the time period for issuing the preliminary results of this review by 35 days until November 30, 2011.

This notice is published in accordance with section 751(a)(3)(A) of the Act and 19 CFR 351.213(h)(2).
