record must include (a) the name of the customer, (b) the name, amount, and price of the security, and (c) the date and time when such transaction took place.

The Commission estimates that 481 respondents collect information related to approximately 400,000 transactions annually under Rule 15c1–7 and that each respondent would spend approximately 5 minutes on the collection of information for each transaction, for approximately 33,333 aggregate hours per year (approximately 69 hours per respondent).

Written comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; (b) the accuracy of the Commission’s estimates of the burden of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.

The Commission may not conduct or sponsor a collection of information unless it displays a currently valid control number. No person shall be subject to any penalty for failing to comply with a collection of information subject to the PRA that does not display a valid Office of Management and Budget (OMB) control number.

Proposed Collection; Comment Request

Rule 15c2–7 places disclosure requirements on broker-dealers who have correspondent relationships, or agreements identified in the rule, with other broker-dealers. Whenever any such broker-dealer enters a quotation for a security through an inter-dealer quotation system, Rule 15c2–7 requires the broker-dealer to disclose these relationships and agreements in the manner required by the rule. The inter-dealer quotation system must also be able to make these disclosures public in association with the quotation the broker-dealer is making. When Rule 15c2–7 was adopted in 1964, the information it requires was necessary for execution of the Commission’s mandate under the Securities Exchange Act of 1934 to prevent fraudulent, manipulative and deceptive acts by broker-dealers. In the absence of the information collection required under Rule 15c2–7, investors and broker-dealers would have been unable to accurately determine the market depth of, and demand for, securities in an inter-dealer quotation system.

There are approximately 4,810 broker-dealers registered with the Commission. Any of these broker-dealers could be potential respondents for Rule 15c2–7, so the Commission is using that figure to represent the number of respondents. Rule 15c2–7 applies only to quotations entered into an inter-dealer quotation system, such as the OTC Bulletin Board (“OTCBB”), or OTC Link (formerly, “Pink Sheets”), operated by OTC Markets Group Inc. (“OTC Link”). According to representatives of both OTC Link and the OTCBB, neither entity has recently received, or anticipates receiving any Rule 15c2–7 notices. However, because such notices could be made, the Commission estimates that one filing is made annually pursuant to Rule 15c2–7.

Based on prior industry reports, the Commission estimates that the average time required to enter a disclosure pursuant to the rule is .75 minutes, or 45 seconds. The Commission sees no reason to change this estimate. We estimate that impacted respondents spend a total of .0125 hours per year to comply with the requirements of Rule 15c2–7 (1 notice (x) 45 seconds/notice). Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.

The Commission may not conduct or sponsor a collection of information unless it displays a currently valid control number. No person shall be subject to any penalty for failing to comply with a collection of information subject to the PRA that does not display a valid Office of Management and Budget (OMB) control number.

Extension: Rule 24b–1; OMB Control No. 3235–0194; SEC File No. 270–205. Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 et seq.), the Securities and Exchange Commission (“Commission”) is soliciting comments on the collection of information summarized below. The Commission plans to submit this existing collection of information to the Office of Management and Budget for extension and approval, Rule 24b–1 (17 CFR 240.24b–1)–Documents to be Kept Public by Exchanges.

Rule 24b–1 under the Securities Exchange Act of 1934 (15 U.S.C. 78a et seq.) requires a national securities exchange to keep and make available for public inspection a copy of its registration statement and exhibits filed with the Commission, along with any amendments thereto.

There are 15 national securities exchanges that spend approximately one half hour each complying with this rule, for an aggregate total compliance burden of 7.5 hours per year. The staff
estimates that the average cost per respondent is $65.18 per year, calculated as the costs of copying ($13.97) plus storage ($51.21), resulting in a total cost of compliance for the respondents of $977.70.

Written comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the Commission’s estimate of the burden of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. PROPOSED COLLECTION; COMMENT REQUEST

Extension:
Rule 19d–2; OMB Control No. 3235–0478; SEC File No. 270–204.

It is estimated that approximately fifteen respondents will utilize this application procedure annually, with a total burden of 45 hours, based upon past submissions. The staff estimates that the average number of hours necessary to comply with the requirements of Rule 19d–2 is 3 hours.

Based on the most recent available information, the Commission staff estimates that the cost to respondents of complying with the requirements of Rule 19d–2 is $876 per response. Therefore, the Commission staff estimates that the total annual reporting cost per respondent is $876 (1 response/respondent/year x $876 cost/response), for a total annual related cost to all respondents of $13,140 ($876 cost/respondent x 15 respondents).

Written comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the agency’s estimate of the burden of the collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.

The Commission may not conduct or sponsor a collection of information unless it displays a currently valid control number. No person shall be subject to any penalty for failing to comply with a collection of information subject to the PRA that does not display a valid Office of Management and Budget control number.

Elizabeth M. Murphy,
Secretary.

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 et seq.), the Securities and Exchange Commission (“Commission”) is soliciting comments on the collection of information summarized below. The Commission plans to submit this existing collection of information to the Office of Management and Budget for extension and approval for Rule 11a1–1(T)—Transactions Yielding Priority, Parity, and Precedence.

On January 27, 1976, the Commission adopted Rule 11a1–1(T)—Transactions Yielding Priority, Parity, and Precedence (17 CFR 240.11a1–1(T)) under the Securities Exchange Act of 1934 (15 U.S.C. 78 et seq.) (“Exchange Act”), to exempt certain transactions of exchange members for their own accounts that would otherwise be prohibited under Section 11(a) of the Exchange Act. The rule provides that a member’s proprietary order may be executed on the exchange of which the trader is a member, if, among other things: (1) The member discloses that a bid or offer for its account is for its account to any member with whom such bid or offer is placed or to whom it is communicated; (2) any such member through whom that bid or offer is communicated discloses to others participating in effecting the order that it is for the account of a member; and (3) immediately before executing the order, a member (other than a specialist in such security) presenting any order for the account of a member on the exchange clearly announces or otherwise indicates to the specialist and to other members then present that he is presenting an order for the account of a member.

Without these requirements, it would not be possible for the Commission to monitor its mandate under the Exchange Act.
