The Department of Veterans Affairs (VA) gives notice under Public Law 92–463 (Federal Advisory Committee Act) that a meeting of the Clinical Science Research and Development Service Cooperative Studies Scientific Evaluation Committee will be held on November 9–10, 2011, at The Residence Inn Arlington Pentagon City, 550 Army Navy Drive, Arlington, VA. The meeting is scheduled to begin at 8 a.m. each day and end at 5 p.m. on November 9 and at 3 p.m. on November 10.

The Committee advises the Chief Research and Development Officer through the Director of the Clinical Science Research and Development Service on the relevance and feasibility of proposed projects and the scientific validity and propriety of technical details, including protection of human subjects.

The session will be open to the public for approximately 30 minutes at the start of the meeting for the discussion of administrative matters and the general status of the program. The remaining portion of the meeting will be closed to the public for the Committee’s review, discussion and evaluation of research and development applications.

The Committee advises the Chief Research and Development Officer of proposed projects and the scientific feasibility of the program.

During the closed portion of the meeting, discussions and recommendations will deal with qualifications of personnel conducting the projects, staff and consultant critiques of research proposals and similar documents and the medical records of patients who are study subjects, the disclosure of which would constitute a clearly unwarranted invasion of personal privacy. As provided by section 10(d) of Public Law 92–463, as amended, closing portions of this meeting is in accordance with 5 U.S.C. 552b(c)(6) and (c)(9)(B).
