The Commission determined, on the basis of the record developed in the subject five-year review, that revocation of the antidumping duty order on artists’ canvas from China would be likely to lead to continuation or recurrence of material injury to an industry in the United States within a reasonably foreseeable time.

Background

The Commission instituted this review on May 2, 2011 (76 FR 24516) and determined on August 5, 2011 that it would conduct an expedited review (76 FR 54789, September 2, 2011). The Commission transmitted its determination in this review to the Secretary of Commerce on October 25, 2011. The views of the Commission are contained in USITC Publication 4273 (October 2011), entitled Artists’ Canvas From China: Investigation No. 731–TA–1091 (Review).

By order of the Commission. Issued: October 25, 2011.

James R. Holbein,
Secretary to the Commission.
