## SECURITIES AND EXCHANGE COMMISSION

### Sunshine Act Meeting

Notice is hereby given, pursuant to the provisions of the Government in the Sunshine Act, Public Law 94-409, that the Securities and Exchange Commission will hold an Open Meeting on November 2, 2011 at 9 a.m., in the Auditorium, Room L-002, to hear oral argument in an appeal by Wendy McNeeley, CPA, from an initial decision of an administrative law judge.

The law judge found that McNeeley engaged in improper professional conduct as defined in the Commission's Rule of Practice 102(e) by engaging in highly unreasonable conduct that resulted in a violation of applicable professional standards in circumstances in which McNeeley knew, or should have known, that heightened scrutiny was warranted. The law judge determined that McNeeley should be denied the privilege of appearing or

practicing as an accountant before the Commission for one year.

Issues likely to be considered at oral argument include whether McNeeley engaged in improper professional conduct as defined in the Commission’s Rule of Practice 102(e) and, if so, the extent to which, under the circumstances, sanctions are warranted.

For further information, please contact the Office of the Secretary at (202) 551-5400.

Dated: October 26, 2011.

Elizabeth M. Murphy, Secretary.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-65617; File No. SR-NASDAQ-2011-145]

Self-Regulatory Organizations; The NASDAQ Stock Market LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change To Modify the Description of the Nasdaq Daily Share Volume Service

October 25, 2011.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”),<sup>1</sup> and Rule 19b-4<sup>2</sup> thereunder, notice is hereby given that on October 13, 2011, The NASDAQ Stock Market LLC (the “Exchange” or “Nasdaq”) filed with the Securities and Exchange Commission (“SEC” or “Commission”) the proposed rule change as described in Items I, II, and III, below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of the Substance of the Proposed Rule Change

The Exchange is filing this proposed rule change to modify the description of the Nasdaq Daily Volume Share Service in Nasdaq Rule 7040, as well as to remove the word “Daily” from the name of the service.

The text of the proposed rule change is below. Proposed deletions are in [brackets]. Proposed new language is in italics.<sup>3</sup>

<sup>3</sup> Changes are marked to the rules of The NASDAQ Stock Market LLC found at <http://nasdaq.cchwallstreet.com>.

7040. Nasdaq [Daily] Share Volume Service

(a) The Nasdaq [Daily] Share Volume Service [shall allow participating subscribers to view volume reports on a T + 1 basis] is a historical data product that provides aggregated share volume information at the market participant and issue level for all Nasdaq- and non-Nasdaq-listed securities in the Nasdaq Market Center. The Nasdaq Share Volume Service is comprised of two different reports:

(1) Daily Share Volume Report—providing aggregated share volume information on a daily basis. The daily report is available to subscribers the following calendar day for the prior trading day’s data.

(2) Monthly Share Volume Report—providing aggregated share volume information on a monthly basis. The monthly report is available to subscribers on the fifth calendar day of every month for the prior month’s data.

[1] (b) Access to the underlying data for redistribution shall be available for a fee of \$2,500/month.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

This proposal pertains to the Nasdaq Daily Share Volume Service (the “Service”), which makes information available via a Web-based data product and provides daily traded share volume by issue for participating market participants (the “Daily Share Volume Report”). Specifically, the Service is a historical data product that summarizes the aggregated share volume in the Nasdaq Market Center at the market participant and issue level for all Nasdaq- and non-Nasdaq-listed securities. Thus, the product allows subscribers to determine the share volumes of a particular market participant in a particular stock.

Prior to the establishment of the Service and the Daily Share Volume Report in a 2007 filing (the “Initial

Filing”),<sup>4</sup> the monthly share volume report (the “Monthly Share Volume Report”) was provided free of charge to anyone with internet access via NASDAQtrader.com.<sup>5</sup> In the Initial Filing, the free-of-charge monthly product was discussed as a part of the basis for the Service. The Initial Filing specifically noted that Nasdaq had received numerous requests for a daily product comparable to the existing monthly product. As a result, the Service included both the Daily Share Volume Report and the Monthly Share Volume Report. Subsequently, Nasdaq began providing the monthly product solely to subscribers of the Service. The fee for the Service, comprised of both the Daily Share Volume Report and the Monthly Share Volume Report, is \$2,500 per month. The monthly and daily reports have since become widely used in the data product customer community.

Nasdaq proposes to modify the description of the Service in Nasdaq Rule 7040(a) to reflect the fact that subscribers of the daily version of the Service also receive the Monthly Share Volume Report in consideration for the \$2,500 per month fee that they pay. The proposal would also remove the word “Daily” from the name of the Service to lessen confusion concerning the share volume information provided. Thus, the rule change will make it clear that the Service is comprised of the Daily Share Volume Report and the Monthly Share Volume Report.

The Daily Share Volume Report summarizes the aggregated share volume in the Nasdaq Market Center at the market participant and issue level for all Nasdaq- and non-Nasdaq-listed securities. All Nasdaq market participants are given the option to determine whether they wish to have their trading volumes included in the data provided to subscribers to the Service. In the case of the daily product, market participants are excluded unless they specifically opt to have their data included. This provides flexibility to market participants as to what information they would like to include in the report. Thus, while some market participants wish to include their data in the product in order to advertise their level of market activity, others decide

<sup>5</sup> At that time, Nasdaq, as well as other exchanges, had concluded that the Act did not require exchanges to submit proposed rule changes when making data available free of charge. Commission staff has since advised Nasdaq to submit proposed rule changes in circumstances where information about quotations or transactions is provided free of charge.
