BILLING CODE 9110-12-P

FEDERAL COMMUNICATIONS COMMISSION

47 CFR Part 73

[DA 11-1689]

Radio Broadcasting Services; Various Locations

AGENCY: Federal Communications Commission.

ACTION: Final rule.

SUMMARY: The Audio Division, on its own motion, updates the FM Table of Allotments to reinstate certain vacant FM allotments. Formerly, the FM Table listed all vacant FM allotments as well as FM channels and communities occupied by authorized facilities. In 2006, the Commission removed the allotments of authorized and awarded FM facilities from the FM Table in order to accommodate the new application procedures for radio stations to change their communities of license. However, when an authorization is cancelled, the vacant allotment must be reinstated in the FM Table to preserve the opportunity to license a future station in the specified community. Accordingly,

we are adding to the FM Table of Allotments thirty allotments in various communities that are considered vacant FM allotments.

Paperwork Reduction Act of 1995 Analysis

Document FCC 11-159 does not contain new or modified information collection requirements subject to the Paperwork Reduction Act of 1995 (PRA), Public Law 104-13. In addition, therefore, it does not contain any new or modified information collection burden for small business concerns with fewer than 25 employees, pursuant to the Small Business Paperwork Relief Act of 2002, Public Law 107-198, *see* 44 U.S.C. 3506(c)(4).

Synopsis

1. As originally enacted, section 713(d)(3) of the Act authorized the Commission to grant an individual exemption upon a showing that providing closed captioning "would result in an undue burden." Congress provided guidance to the Commission on how it should evaluate these captioning exemptions by setting forth, in section 713(e) of the Act, the following "four factors to be considered" in determining whether providing closed captioning "would result in an undue economic burden": (1) The nature and cost of the closed captions for the programming; (2) the impact on the operation of the provider or program owner; (3) the financial resources of the provider or program owner; and (4) the type of operations of the provider or program owner.
