

E-Filing system also distributes an email notice that provides access to the document to the NRC Office of the General Counsel and any others who have advised the Office of the Secretary that they wish to participate in the proceeding, so that the filer need not serve the documents on those participants separately. Therefore, applicants and other participants (or their counsel or representative) must apply for and receive a digital ID certificate before a hearing request/petition to intervene is filed so that they can obtain access to the document via the E-Filing system.

A person filing electronically using the agency's adjudicatory E-Filing system may seek assistance by contacting the NRC Meta System Help Desk through the "Contact Us" link located on the NRC Web site at <http://www.nrc.gov/site-help/e-submittals.html>, by email at MSHD.Resource@nrc.gov, or by a toll-free call at (866) 672-7640. The NRC Meta System Help Desk is available between 8 a.m. and 8 p.m., Eastern Time, Monday through Friday, excluding government holidays.

Participants who believe that they have a good cause for not submitting documents electronically must file an exemption request, in accordance with 10 CFR 2.302(g), with their initial paper filing requesting authorization to continue to submit documents in paper format. Such filings must be submitted by: (1) First class mail addressed to the Office of the Secretary of the Commission, U.S. Nuclear Regulatory Commission, Washington, DC 20555-0001, Attention: Rulemaking and Adjudications Staff; or (2) courier, express mail, or expedited delivery service to the Office of the Secretary, Sixteenth Floor, One White Flint North, 11555 Rockville Pike, Rockville, Maryland, 20852, Attention: Rulemaking and Adjudications Staff. Participants filing a document in this manner are responsible for serving the document on all other participants. Filing is considered complete by first-class mail as of the time of deposit in the mail, or by courier, express mail, or expedited delivery service upon depositing the document with the provider of the service. A presiding officer, having granted an exemption request from using E-Filing, may require a participant or party to use E-Filing if the presiding officer subsequently determines that the reason for granting the exemption from use of E-Filing no longer exists.

Documents submitted in adjudicatory proceedings will appear in NRC's electronic hearing docket which is

available to the public at <http://ehd1.nrc.gov/ehd/>, unless excluded pursuant to an order of the Commission, or the presiding officer. Participants are requested not to include personal privacy information, such as social security numbers, home addresses, or home phone numbers in their filings, unless an NRC regulation or other law requires submission of such information. With respect to copyrighted works, except for limited excerpts that serve the purpose of the adjudicatory filings and would constitute a Fair Use application, participants are requested not to include copyrighted materials in their submission.

OCCUPATIONAL SAFETY AND HEALTH REVIEW COMMISSION

Proposed Information Collection; Comment Request

AGENCY: Occupational Safety and Health Review Commission.

ACTION: Notice.

SUMMARY: The Occupational Safety and Health Review Commission (OSHRC) invites the public and other Federal agencies to comment on a proposed information collection concerning the OSHRC Settlement Part program. OSHRC will submit the proposed information collection request to the Office of Management and Budget (OMB) for review, as required by the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*).

DATES: Written comments must be submitted on or before January 3, 2012.

ADDRESSES: Submit all written comments, identified by the title

“Paperwork Reduction Act Information Collection,” by mail or hand delivery to John X. Cerveny, Deputy Executive Secretary, Occupational Safety and Health Review Commission, 1120 20th Street, NW., Washington, DC 20036-3457, by fax to (202) 606-5050, or by email to pracomments@oshrc.gov.

FOR FURTHER INFORMATION CONTACT:

Requests for information or copies of the proposed information collection instrument should be directed to John X. Cerveny, Deputy Executive Secretary, Occupational Safety and Health Review Commission, 1120 20th Street NW., Ninth Floor, Washington, DC 20036-3457; Telephone (202) 606-5706; *email address: pracomments@oshrc.gov*.

SUPPLEMENTARY INFORMATION: OSHRC’s Settlement Part program, codified at 29 CFR 2200.120, is designed to encourage settlements on contested citations issued by the U.S. Department of Labor’s Occupational Safety and Health Administration (OSHA) and to reduce litigation costs. The program requires employers who receive job safety or health citations that include proposed penalties of \$100,000 or more in total to participate in formal settlement talks presided over by an OSHRC Administrative Law Judge. If settlement efforts fail, the case would continue under OSHRC’s conventional proceedings, usually before a judge other than the one who presided over the settlement proceedings.

To ensure the continued success of the program, OSHRC proposes to collect information from Settlement Part participants about their experiences with the program. The participants would be employers and Department of Labor personnel, Authorized Employee Representatives and their representatives, including attorneys, who have personally participated in cases from February 15, 2011 through February 14, 2012. The proposed information collection instrument is a written survey consisting of a series of multiple-choice questions that are intended to take a respondent no more than 30 minutes to complete. The respondents may skip any questions that they do not feel comfortable answering, and are permitted to comment further on their experiences at the end of the questionnaire.

OSHRC will submit the proposed information collection to the Office of Management and Budget for review, as required by the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*). OSHRC invites comments on: (1) Whether the proposed collection of information is necessary for the proper performance of the agency’s functions,

including whether the information will have practical utility; (2) the accuracy of the agency’s estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used; (3) ways to enhance the quality, utility, and clarity of the information to be collected; and (4) ways to minimize the burden of the information collection on respondents, including through the use of automated collection techniques, when appropriate, and other forms of information technology. Comments submitted in response to this notice will be summarized and included in the request for OMB approval of this information collection; they also will become a matter of public record.

OMB Control Number: Not applicable, new request.

Form Number: Not applicable.

Type of Review: Regular submission (new information collection).

Title: Survey of Participants in OSHRC Settlement Part Program.

Description: Information collection required to evaluate the Review Commission’s Settlement Part process.

Estimated Time per Response: 30 minutes.

Dated: October 26, 2011.
