Name of Committee: Homeland Security Information Network Advisory Committee (HSINAC)

SUPPLEMENTARY INFORMATION: For the reasons set forth below, the Secretary of Homeland Security has determined that the renewal of the HSINAC is necessary and in the public interest. This determination follows consultation with the Committee Management Secretariat, General Services Administration.

The HSINAC is being renewed in accordance with the provisions of the Federal Advisory Committee Act (FACA) 5 U.S.C. App. This Committee advises and makes recommendations to the Secretary of Homeland Security on matters relating to the Homeland Security Information Network (HSIN), including system requirements, operating policies, community organization, knowledge management, interoperability, federation with other systems, and any other aspect of HSIN that supports the operations of DHS and its federal, state, territorial, local, tribal, international and private sector mission partners. The committee will meet approximately three times each year, usually in the Washington, DC metropolitan area, but may meet more often as the need arises.

Balanced Membership Plans: The HSINAC will be composed of individual members possessing expertise, knowledge, and experience regarding the business processes and information sharing needs of one or more of the homeland security mission areas. Members shall be appointed based on their expertise in professions and disciplines engaged in homeland security operations and in support of homeland security mission requirements.

Because a balance of perspectives is essential to ensure that the HSINAC truly represents the broad spectrum of HSIN users, HSINAC membership shall expressly include individuals from federal, state, local, tribal, and territorial governments and the private sector, including:

11. One member drawn from currently serving tribal government;

12. One member drawn from currently serving in any discipline with relevant expertise in state, local, tribal, or territorial homeland security.

Of the above-described members, two shall serve in, or have direct oversight of, different state or major urban area fusion centers.

Duration: The HSINAC Charter was filed with Congress July 14, 2011 and remains in effect through July 14, 2013.

Responsible DHS Officials: David Steigman, HSINAC Designated Federal Officer; Department of Homeland Security, 245 Murray Lane, SW., BLDG 410, Washington, DC 20528-0426; David.Steigman@dhs.gov, (202) 357-7809.

Applying for Appointment: The committee will fill all the positions listed above. The HSINAC will be composed of individual members possessing expertise, knowledge, and experience regarding the business processes and information sharing needs of one or more of the homeland security mission areas. Members are appointed based on their expertise in professions and disciplines engaged in homeland security operations and in support of homeland security mission requirements. Members will serve a term of two years. Members are appointed by the Secretary of Homeland Security at the recommendation of the HSIN Program Director.

Members of the HSINAC will be appointed and serve as Special Government Employees (SGE), as defined in section 202(a) of title 18 United States Code, except for those

members who currently are serving employees of the federal government. As a candidate for appointment as a SGE, applicants are required to complete a Confidential Financial Disclosure Report (OGE Form 450). DHS may not release the forms or the information in them to the public except under an order issued by a Federal court or as otherwise provided under the Privacy Act (5 U.S.C. 552a). AGENCY: Privacy Office, DHS.

ACTION: Notice of Privacy Act system of records.

SUMMARY: In accordance with the Privacy Act of 1974, the Department of Homeland Security proposes to update an existing Department of Homeland Security system of records notice titled "Department of Homeland Security/U.S. Customs and Border Protection-009 Electronic System for Travel Authorization System of Records." screening his or her information against various security and law enforcement databases. DHS/CBP is updating this system of records notice to reflect: (1) Updated categories of records to include payment information, including credit card number, Pay.gov tracking number, billing name, billing address, and the applicant's country of birth (to reduce the number of false matches); (2) updated routine uses to allow DHS/CBP to share payment information with Department of Treasury's Pay.gov for processing; and (3) updated routine uses to allow sharing of the ESTA application data (which excludes payment information) with federal, state, local, tribal, foreign, or international government agencies (including intelligence agencies) once they have established that they will use the information for a purpose which is compatible with the purpose of the original collection. This newly updated system will be included in the Department of Homeland Security's inventory of record systems.

DATES: Submit comments on or before December 2, 2011. This new system will be effective December 2, 2011.
