

2. Statutory Basis

The proposed rule change is consistent with Section 6(b) of the Act⁹ in general and furthers the objectives of Section 6(b)(5) of the Act¹⁰ in particular in that it should promote just and equitable principles of trade, serve to remove impediments to and perfect the mechanism of a free and open market and a national market system, and protect investors and the public interest. The Exchange also believes that it should provide additional clarity and avoid any confusion on the applicability of the new series add provision to any and all FLEX Options in a manner that is consistent with the existing provision for FLEX Equity Options.

B. Self-Regulatory Organization's Statement on Burden on Competition

CBOE does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

The Exchange neither solicited nor received comments on the proposal.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

("FINRA") filed with the Securities and Exchange Commission ("SEC" or "Commission") the proposed rule change as described in Items I, II, and III below, which Items have been prepared by FINRA. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

FINRA is proposing to repeal Incorporated NYSE Rule 2A (Jurisdiction) as part of the process of developing a consolidated FINRA rulebook.

summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

As part of the process of developing a new consolidated rulebook ("Consolidated FINRA Rulebook"),³ the proposed rule change would repeal NYSE Rule 2A (Jurisdiction) from the FINRA rulebook as described below. NYSE Rule 2A generally addresses jurisdictional authority with respect to, among other things, rulemaking, examinations, disciplinary actions, and listing applications. NYSE Rule 2A was adopted in 2006 as part of the merger between the New York Stock Exchange LLC ("NYSE") and Archipelago Holdings, Inc. in light of the fact that the NYSE Constitution, which contained the jurisdiction provisions for the NYSE, was eliminated in the merger.⁴

The FINRA By-Laws, as approved by the membership and the SEC in 2007, address the powers and authority of the FINRA Board of Governors ("Board") and, together with the Exchange Act, set forth FINRA's authority and responsibilities as a registered securities association. As outlined below, those matters addressed by NYSE Rule 2A that are relevant to a registered securities association are currently addressed by the FINRA By-Laws and Exchange Act, including jurisdictional authority with respect to:

- Rulemaking;⁵
- General supervisory powers over members, member organizations (and any other broker-dealer that chooses to be regulated by the NYSE) and their offices, partnership and corporate arrangements, their principal executives, employees and approved

persons in connection with their conduct of the business of member organizations;⁶

- jurisdiction to discipline members, member organizations (and any other broker-dealer that chooses to be regulated by the NYSE), principal executives, employees and approved persons in connection with their conduct of the business of member organizations; and⁷

- Jurisdiction over any and all other functions of members, member organizations (and any other broker-dealer that chooses to be regulated by the NYSE), principal executives, employees and approved persons in connection with the conduct of the business of member organizations in order for the NYSE to comply with its statutory obligation as a self-regulatory organization.⁸

FINRA further notes that other matters addressed by NYSE Rule 2A are not applicable to the operations of a registered securities association that does not operate a listing market or are otherwise unique to the NYSE, including:

- Approving applications for the listing and admission of securities to dealings on the NYSE, as well as suspending dealings in and removing securities from listing;
- Supervising all matters relating to the collection, dissemination and use of quotations and of reports of prices on the NYSE;
- The power to approve or disapprove any connection or means of communication with the floor and requiring the discontinuance of any such connection or means of communication; and

⁶ See, e.g., *supra* note 5 and FINRA By-Laws, Article VI, Section 5 and Plan of Allocation and Delegation of Functions by FINRA to Subsidiaries, Article II, Section A. In contrast to the NYSE's jurisdictional provisions, which extend to "approved persons," as defined in NYSE Rule 2(c), FINRA regulates its members and "persons associated with a member," as defined in FINRA By-Laws, Article 1 (rr). With respect to the ability to obtain information regarding members' affiliates, FINRA is addressing such authority as part of a separate proposal. See *Regulatory Notice* 10-01 (January 2010).

⁷ See, e.g., *supra* note 5, and FINRA By-Laws, Article VI, Section 5 and Plan of Allocation and Delegation of Functions by FINRA to Subsidiaries, Article II, Section A. Based on earlier Board authority, FINRA repealed NYSE Rule 477 (Retention of Jurisdiction) and continues to use FINRA's retention of jurisdiction provisions in the FINRA By-laws. See Securities Exchange Act Release No. 58643 (September 25, 2008), 73 FR 57174 (October 1, 2008) (Order Approving File No. SR-FINRA-2008-029).

⁸ See, e.g., *supra* note 5, and FINRA By-Laws, Article VI, Section 5 and Plan of Allocation and Delegation of Functions by FINRA to Subsidiaries, Article II, Section A.

- Disapproving any member acting as a Designated Market Maker or odd-lot dealer on the NYSE.

Therefore, FINRA considers the transfer of NYSE Rule 2A to the Consolidated FINRA Rulebook to be unnecessary and proposes that it be eliminated.⁹

FINRA will announce the implementation date of the proposed rule change in a *Regulatory Notice* to be published no later than 90 days following Commission approval. The effective date will be no later than 150 days following Commission approval.

2. Statutory Basis

FINRA believes that the proposed rule change is consistent with the provisions of Section 15A(b)(6) of the Act,¹⁰ which requires, among other things, that FINRA rules must be designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, and, in general, to protect investors and the public interest. FINRA believes that the proposed rule change will streamline and improve FINRA's rulebook by eliminating a rule that is not necessary or appropriate for the Consolidated FINRA Rulebook. As further discussed above, the FINRA By-Laws address the powers and authority of the Board and, together with the Exchange Act, set forth FINRA's authority and responsibilities as a registered securities association.

B. Self-Regulatory Organization's Statement on Burden on Competition

FINRA does not believe that the proposed rule change will result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

Written comments were neither solicited nor received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Within 45 days of the date of publication of this notice in the **Federal Register** or within such longer period (i) As the Commission may designate up to 90 days of such date if it finds such longer period to be appropriate and publishes its reasons for so finding or (ii) as to which the self-regulatory

⁹ FINRA anticipates that the NYSE will retain a version of NYSE Rule 2A.

¹⁰ 15 U.S.C. 78o-3(b)(6).

³ The current FINRA rulebook consists of (1) FINRA Rules; (2) NASD Rules; and (3) rules incorporated from NYSE ("Incorporated NYSE Rules") (together, the NASD Rules and Incorporated NYSE Rules are referred to as the "Transitional Rulebook"). While the NASD Rules generally apply to all FINRA members, the Incorporated NYSE Rules apply only to those members of FINRA that are also members of the NYSE ("Dual Members"). The FINRA Rules apply to all FINRA members, unless such rules have a more limited application by their terms. For more information about the rulebook consolidation process, see *Information Notice*, March 12, 2008 (Rulebook Consolidation Process). For convenience, the Incorporated NYSE Rules are referred to as the NYSE Rules.

organization consents, the Commission will:

- (A) by order approve or disapprove such proposed rule change, or
- (B) institute proceedings to determine whether the proposed rule change should be disapproved.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-65655; File No. SR-CME-2011-07]

Self-Regulatory Organizations; Chicago Mercantile Exchange, Inc.; Order Approving Proposed Rule Change To Accept Additional Credit Default Index Swaps for Clearing

October 28, 2011.

I. Introduction

On September 9, 2011, the Chicago Mercantile Exchange Inc. ("CME") filed with the Securities and Exchange Commission ("Commission") the proposed rule change SR-CME-2011-07 pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 19b-4 thereunder.² The proposed rule change was published for comment in the **Federal Register** on September 28, 2011.³ The Commission received no comment letters regarding the proposal. For the reasons discussed below, the Commission is granting approval of the proposed rule change.

II. Description

The rule change will permit CME to expand its ability to clear credit default swap ("CDS") contracts referencing broad-based securities indices by permitting CME to clear CDS contracts referencing the Markit CDX North American High Yield Index Series 11, 12, 13, 14, 15, 16 and 17, in each case solely with respect to contracts referencing the applicable index with an original tenor of five years. As of the date that it filed this rule change, CME offered for clearing CDS contracts referencing the Markit CDX North

American Investment Grade Index Series 10, 11, 12, 13, 14, 15, 16 and 17.⁴

III. Discussion

Section 19(b)(2)(B) of the Act directs the Commission to approve a proposed rule change of a self-regulatory organization if it finds that such proposed rule change is consistent with the requirements of the Act and the rules and regulations thereunder applicable to such organization.⁵ In particular, Section 17A(b)(3)(F) of the Act⁶ requires, among other things, that the rules of a clearing agency be designed to promote the prompt and accurate clearance and settlement of securities transactions and, to the extent applicable, derivative agreements, contracts and transactions, and to assure the safeguarding of securities and funds which are in the custody or control of such clearing agency or for which it is responsible.

The proposed rule change would make additional CDS contracts eligible for central clearing at CME and thus would facilitate the prompt and accurate clearance and settlement of derivative agreements, contracts and transactions. CME's rules and procedures for clearing CDS contracts referencing broad-based securities indices, particularly those pertaining to its risk management operations and financial safeguards systems, are also designed to limit the risk of financial loss to CME and its members as a result of these additional CDS contracts. Thus, the proposed rule change to permit CME to clear and settle CDS contracts referencing the Markit CDX North American High Yield Index Series 11, 12, 13, 14, 15, 16 and 17 is consistent with the requirement that CME assure the safeguarding of securities and funds which are in its custody or control or for which it is responsible.⁷

⁴ CME subsequently filed a rule change pursuant to Section 19(b)(3)(A) of the Act and Rule 19b-4(f)(4)(i) thereunder to allow it to clear CDS contracts referencing the Markit CDX North American Investment Grade Index Series 9. See Securities Exchange Act Release No. 34-65489 (October 5, 2011), 76 FR 63339 (October 12, 2011). For CDS contracts referencing the Markit CDX North American Investment Grade Index Series 9 and 10, CME's rule permit the clearing of contracts referencing the applicable index with an original tenor of five, seven or ten years. For CDS contracts referencing the Markit CDX North American Investment Grade Index Series 11, 12, 13, 14, 15, 16 and 17, CME's rule permit the clearing of contracts referencing the applicable index with an original tenor of three, five, seven or ten years.

³ Securities Exchange Act Release No. 34-65378 (September 22, 2011), 76 FR 60110 (September 28, 2011). In its filing with the Commission, CME included statements concerning the purpose of and basis for the proposed rule change. The text of these statements are incorporated into the discussion of the proposed rule change in Section II below.

⁷ Moreover, the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 was passed by Congress and signed into law by the President to, among other things, ensure that, wherever possible and appropriate, derivatives contracts
