Tapered Roller Bearings and Parts Thereof, Finished or Unfinished, From the People's Republic of China: Extension of Time Limit for the Final Results of the Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

DATES: *Effective Date:* November 8, 2011.

FOR FURTHER INFORMATION CONTACT: Demetri Kalogeropoulos or Frances Veith, AD/CVD Operations, Office 8, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230; *telephone:* (202) 482-2623 or (202) 482-4295, respectively.

SUPPLEMENTARY INFORMATION:**Background**

On July 28, 2010, the Department of Commerce ("Department") published the initiation of the administrative review of the antidumping duty order on tapered roller bearings and parts thereof, finished or unfinished, ("TRBs") from the People's Republic of China ("PRC"). *See Initiation of Antidumping and Countervailing Duty Administrative Reviews and Requests for Revocation in Part*, 75 FR 44224 (July 28, 2010). On July 13, 2011, the Department published the preliminary results of the review. *See Tapered Roller Bearings and Parts Thereof, Finished or Unfinished, From the People's Republic of China: Preliminary Results of the 2009-2010 Administrative Review of the Antidumping Duty Order and Intent To Rescind Administrative Review, in Part*, 76 FR 41207 (July 13, 2011). The 2009-2010 administrative review covers the period June 1, 2009, through May 31, 2010. The final results are currently due no later than November 10, 2011.

Extension of Time Limit for Final Results of Review

Pursuant to section 751(a)(3)(A) of the Tariff Act of 1930, as amended ("Act"), the Department shall make a final determination in an administrative review of an antidumping duty order within 120 days after the date on which the preliminary results are published. The Act further provides, however, that the Department may extend that 120-day period to 180 days if it determines

it is not practicable to complete the review within the foregoing time.

The Department finds that it is not practicable to complete the final results of the 2009-2010 administrative review of TRBs from the PRC within the 120-day period. We find that we need additional time to fully analyze the complicated issues raised in the case and rebuttal briefs, specifically input consumption allocations and issues relating to a successor-in-interest determination. Therefore, in accordance with section 751(a)(3)(A) of the Act, the Department is extending the time period for completion of the final results of this review by 30 days to December 10, 2011. However, because December 10, 2011, falls on a Saturday, a non-business day, the final results will now be due no later than December 12, 2011, the next business day. *See Notice of Clarification: Application of "Next Business Day" Rule for Administrative Determination Deadlines Pursuant to the Tariff Act of 1930, As Amended*, 70 FR 24533 (May 10, 2005).

This notice is published in accordance with sections 751(a)(3)(A) and 777(i) of the Act.

Dated: November 2, 2011.

Christian Marsh,

Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.

SUPPLEMENTARY INFORMATION:**I. Abstract**

This request is for a revision and extension of a currently approved information collection. Mokuapapa Discovery Center (Center) is an outreach arm of Papahānaumokuākea Marine National Monument that reaches 60,000 people each year in Hilo, Hawai'i. The Center was created eight years ago to help raise support for the creation of a National Marine Sanctuary in the Northwestern Hawaiian Islands. Since that time, the area has been proclaimed a Marine National Monument and the main messages we are trying to share with the public have changed to better reflect the new monument status, UNESCO World Heritage status and the joint management by the three co-trustees of the Monument. We therefore are seeking to find out if people visiting our Center are receiving the new messages by conducting an optional exit survey which is the proposed revision to the collection.

II. Method of Collection

Surveys will be conducted by in-person interview as people exit the Center. Interviewers will record responses on paper, and later transfer them to an electronic database.

Full Text of Announcement

I. Funding Opportunity Description

Purpose of Program: The purpose of CAMP is to provide academic and financial support to help migrant and seasonal farmworkers and their children complete their first year of college and continue in postsecondary education.

Priorities: This competition includes two competitive preference priorities and two invitational priorities. In accordance with 34 CFR 75.105(b)(2)(ii), Competitive Preference Priority 1 is from the Education Department General Administrative Regulations (EDGAR) (34 CFR 75.225). In accordance with 34 CFR 75.105(b)(2)(iv), Competitive Preference Priority 2 is from section 418A(e) of the Higher Education Act of

1965, as amended by section 408(3) of the Higher Education Opportunity Act (20 U.S.C. 1070d-2(e)). The third priority is an invitational priority for applications that promote science, technology, engineering, and mathematics (STEM) education. The fourth priority is an invitational priority for applications that propose to engage faith-based and community organizations in the delivery of services under this program.

Competitive Preference Priorities: For FY 2012 and any subsequent year in which we make awards from the list of unfunded applicants from this competition, these priorities are competitive preference priorities. Under 34 CFR 75.105(c)(2)(i) we award an additional five points to an application that meets Competitive Preference Priority 1 and we award up to 15 additional points to an application, depending on how well the applicant meets Competitive Preference Priority 2. The maximum amount of competitive preference points an application can receive under this competition is 15 points.

These priorities are:

Competitive Preference Priority 1—Novice Applicant (5 Points)

The applicant must be a “novice applicant” as defined in 34 CFR 75.225(a). A novice applicant is defined as one who has: (i) Never received a grant or a subgrant under the CAMP program; (ii) never been a member of a group application, submitted in accordance with 34 CFR 75.127–75.129, that received a grant under the CAMP program; and (iii) not had an active discretionary grant from the Federal government in the five years before the deadline date for applications under the CAMP program (January 18, 2012).

Competitive Preference Priority 2—Prior Experience of Service Delivery (Up to 15 Points)

For applicants with an expiring CAMP project, the Secretary will consider the applicant’s prior experience in implementing its expiring CAMP project, based on information contained in documents previously provided to the Department, such as annual performance reports, project evaluation reports, site visit reports, and the previously approved CAMP application.

Under this competition, we also are particularly interested in applications that address the following priorities.

Invitational Priorities: For FY 2012, and any subsequent year in which we make awards from the list of unfunded applicants from this competition, these

priorities are invitational priorities. Under 34 CFR 75.105(c)(1), we do not give an application that meets these invitational priorities a competitive or absolute preference over other applications.

These priorities are:

Invitational Priority 1—Science, Technology, Engineering and Mathematics Education

Projects that are designed to address one or more of the following priority areas:

(a) Providing students with increased access to rigorous and engaging coursework in STEM.

(b) Increasing the number and proportion of students prepared for postsecondary or graduate study and careers in STEM, with a specific focus on an increase in the number and proportion of students so prepared who are from groups traditionally underrepresented in STEM careers, including minorities, individuals with disabilities, and women.

Note: Applicants could consider increasing participants’ access to studies in STEM through such activities as counseling and tutoring in ways that motivate participants to pursue postsecondary education in the areas of STEM. Similarly, applicants could consider increasing students’ preparedness for study and careers in STEM through activities such as referrals to STEM-oriented work study, exposure to academic programs and careers in STEM-related fields, and providing support services. These could include services to improve participants’ academic skills and knowledge so that they may pursue studies and careers in STEM-related fields.

Invitational Priority 2—Faith-Based and Community Organizations

Applications that propose to engage faith-based and community organizations in the delivery of services under this program.

Program Authority: 20 U.S.C. 1070d-2.

Applicable Regulations: (a) The Education Department General Education Regulations (EDGAR) in 34 CFR parts 74, 75, 77, 79, 82, 84, 85, 86, 97, and 99. (b) The regulations for this program in 34 CFR part 206. (c) The definitions of a *migratory agricultural worker* in 34 CFR 200.81(d), *migratory child* in 34 CFR 200.81(e), and *migratory fisher* in 34 CFR 200.81(f).
