INTERNATIONAL TRADE COMMISSION

[Investigation No. 731–TA–696 (Third Review)]

Pure Magnesium From China

Determination

On the basis of the record ¹ developed in the subject five-year review, the United States International Trade Commission (Commission) determines, pursuant to section 751(c) of the Tariff Act of 1930 (19 U.S.C. 1677c), that revocation of the antidumping duty order on pure magnesium from China would be likely to lead to continuation or recurrence of material injury to an industry in the United States within a reasonably foreseeable time.²

Background

The Commission instituted this review on June 1, 2011 (76 F.R. 31635) and determined on September 6, 2011 that it would conduct an expedited review (76 F.R. 60291, October 6, 2011). The Commission transmitted its determination in this review to the Secretary of Commerce on October 31, 2011. The views of the Commission are contained in USITC Publication 4274 (October 2011), entitled Pure Magnesium from China: Investigation No. 731–TA–696 (Third Review).

Issued: November 2, 2011.
By order of the Commission.

James R. Holbein,
Secretary to the Commission.

INTERNATIONAL TRADE COMMISSION

[Investigation No. 337–TA–811]

ACTION: Notice.

SUMMARY: Notice is hereby given that a complaint was filed with the U.S. International Trade Commission on October 3, 2011, under section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. 1337, on behalf of Westinghouse Solar, Inc. of Campbell, California and Andalay Solar, Inc. of Campbell, California. Supplements to the complaint were filed on October 18, 2011 and October 19, 2011. The complaint alleges violations of section 337 based upon the importation into the United States, the sale for importation, and the sale within the United States after importation of certain integrated solar power systems and components thereof by reason of infringement of certain claims of U.S. Patent No. 7,406,800 (‘‘the ’800 patent’’) and U.S. Patent No. 7,987,641 (‘‘the ’641 patent’’). The complaint further alleges that an industry in the United States exists as required by subsection (a)(2) of section 337.

The complainants request that the Commission institute an investigation and, after the investigation, issue an exclusion order and cease and desist orders.

ADDRESSES: The complaint and supplements, except for any confidential information contained therein, are available for inspection during official business hours (8:45 a.m. to 5:15 p.m.) in the Office of the Secretary, U.S. International Trade Commission, 500 E Street SW., Room 112, Washington, DC 20436, telephone (202) 205–2000. Hearing impaired individuals are advised that information on this matter can be obtained by contacting the Commission’s TDD terminal on (202) 205–1810. Persons with mobility impairments who will need special assistance in gaining access to the Commission should contact the Office of the Secretary at (202) 205–2000. General information concerning the Commission may also be obtained by accessing its internet server at http://www.usitc.gov. The public record for this investigation may be viewed on the Commission’s electronic docket (EDIS) at http://www.edis.usitc.gov.

Scope of Investigation: Having considered the complaint, the U.S. International Trade Commission, on November 1, 2011, ORDERED THAT—

(1) Pursuant to subsection (b) of section 337 of the Tariff Act of 1930, as amended, an investigation be instituted to determine whether there is a violation of subsection (a)(1)(B) of section 337 in the importation into the United States, the sale for importation, or the sale within the United States after importation of certain integrated solar power systems and components thereof that infringe one or more of claims 6 and 10 of the ’800 patent and claim 1 of the ’641 patent, and whether an industry in the United States exists as required by subsection (a)(2) of section 337.

(2) Pursuant to Commission Rule 210.50(b)(1), 19 CFR 210.50(b)(1), the presiding administrative law judge shall take evidence or other information and hear arguments from the parties and other interested persons with respect to the public interest in this investigation, as appropriate, and provide the Commission with findings of fact and a recommended determination on this issue, and the administrative law judge will limit public interest discovery, appropriately, with particular consideration for third parties, and will ensure that such discovery will not delay the investigation or be used improperly;

(3) For the purpose of the investigation so instituted, the following are hereby named as parties upon which this notice of investigation shall be served:
(a) The complainants are:
Secretary to the Commission.

James R. Holbein,
the respondent.

The Secretary to the Commission, without further notice to the respondent, to find the facts to be as alleged in the complaint and this notice and to enter an initial determination and a final determination containing such findings, and may result in the issuance of an exclusion order or a cease and desist order or both directed against issuance of an exclusion order or a cease and desist order or both directed against

(b) The respondents are the following entities alleged to be in violation of section 337, and are the parties upon which the complaint is to be served:

Canadian Solar Inc., 650 Riverbend Drive, Suite B, Kitchener, Ontario, Canada N2K 3S2.

Canadian Solar (USA) Inc., 12657 Alcosta Boulevard, Suite 140, San Ramon, CA 94583.

(c) The Office of Unfair Import Investigations, U.S. International Trade Commission, 505 E Street SW., Suite 401, Washington, DC 20436; and

For the investigation so instituted, the Chief Administrative Law Judge, U.S. International Trade Commission, shall designate the presiding Administrative Law Judge.

Responses to the complaint and the notice of investigation must be submitted by the named respondents in accordance with section 210.13 of the Commission’s Rules of Practice and Procedure, 19 CFR 210.13. Pursuant to 19 CFR 201.16(d)–(e) and 210.13(a), such responses will be considered by the Commission if received not later than 20 days after the date of service by the Commission of the complaint and the notice of investigation. Extensions of time for submitting responses to the complaint and the notice of investigation will not be granted unless good cause therefor is shown.

Failure of a respondent to file a timely response to each allegation in the complaint and in this notice may be deemed to constitute a waiver of the right to appear and contest the allegations of the complaint and this notice, and to authorize the administrative law judge and the Commission, without further notice to the respondent, to find the facts to be as alleged in the complaint and this notice and to enter an initial determination and a final determination containing such findings, and may result in the issuance of an exclusion order or a cease and desist order or both directed against the respondent.

Issued: November 2, 2011.

By order of the Commission.

James R. Holbein,
Secretary to the Commission.

DEPARTMENT OF JUSTICE

Notice of Lodging of Consent Decree Under the Clean Air Act

Notice is hereby given that on November 1, 2011, a proposed Consent Decree in United States v. Williams Four Corners, LLC, Civil Action 1:11–cv–02846, was lodged with the United States District Court for the District of Colorado.

In this action the United States seeks civil penalties and injunctive relief for alleged violations of the Clean Air Act (“CAA”), 42 U.S.C. 7401 et seq., at Four Corner’s Ignacio Gas Plant (“Ignacio GP”) and Ute E Compressor Station (“Ute E”) located in La Plata County, Colorado, and situated within the exterior boundaries of the Southern Ute Indian Reservation, County, Utah.

Specifically, the United States alleges that Four Corners failed to timely repair four leaks at its Ignacio GP in violation of the New Source Performance Standard at 40 CFR part 60, Subpart KKK, implementing Section 111 of the Clean Air Act (“CAA”), 42 U.S.C. 741, and violated Title V of the CAA and 40
