

announcing that we would submit this ICR to OMB for approval and soliciting comments. The comment period closed on October 17, 2011. We did not receive any comments in response to that notice.

We again invite comments concerning this ICR on: (a) Whether the proposed collection of information is necessary for the agency to perform its duties, including whether the information will have practical utility; (b) the accuracy of the agency's estimate of the burden of the proposed collection of information; (c) ways to enhance the quality, usefulness, and clarity of the information to be collected; and (d) ways to minimize the burden on the respondents, including the use of automated collection techniques or other forms of information technology.

Please note that the comments submitted in response to this notice are a matter of public record. Before including your address, phone number, email address, or other personal identifying information in your comment, you should be aware that your entire comment, including your personal identifying information, may be made publicly available at anytime. While you can ask OMB in your comment to withhold your personal identifying information from public review, we cannot guarantee that it will be done.

Dated: November 1, 2011.

Bruce Quirk,

Program Coordinator, Land Remote Sensing Program, U.S. Geological Survey.

BILLING CODE 4311-AM-P

DEPARTMENT OF THE INTERIOR

U.S. Geological Survey

National Earthquake Prediction Evaluation Council (NEPEC)

AGENCY: U.S. Geological Survey.

ACTION: Notice of Meeting.

SUMMARY: Pursuant to Public Law 96-472, the National Earthquake Prediction Evaluation Council (NEPEC) will hold a 1½-day meeting on November 14 and 15, 2011, on the campus of the University of Washington. The Council is comprised of members from academia and the Federal Government. The Council shall advise the Director of the U.S. Geological Survey on proposed earthquake predictions, on the completeness and scientific validity of the available data related to earthquake predictions, and on related matters as assigned by the Director. Additional

information about the Council may be found at: <http://www.earthquake.usgs.gov/aboutus/nepec/>.

At the meeting, the Council will receive briefings on lessons learned from the 2010 Chile and 2011 Japan subduction earthquakes, monitoring and research efforts relating to earthquakes in the Pacific Northwest, research and development relating to earthquake early warning and short-term aftershock forecasting, and recent findings from the study of episodic tremor and slip and from the analysis of various seismic hazards in and around the State of Washington. The Council will also receive brief updates on the project intended to deliver an updated Uniform California Earthquake Rupture Forecast (UCERF3) in summer 2012, and on other topics.

A draft workshop agenda is available on request (contact information below). In order to ensure sufficient seating and hand-outs, it is requested that visitors pre-register by November 8, 2011. Members of the public wishing to make a statement to the Council should provide notice of that intention by November 8 so that time may be allotted in the agenda.

DATES: The meeting will be held in Parrington Hall at the University of Washington, Seattle, Washington 98195. On November 14 it will be in the Forum Room 309, commencing at 8:30 a.m. and adjourning at 5:30 p.m. On November 15 it will be in the Commons Room 308, commencing at 8:30 a.m. and adjourning at noon. Times are approximate. Guests are encouraged to contact the Executive Secretary for a copy of the agenda and instructions for parking and locating the meeting rooms.

FOR FURTHER INFORMATION CONTACT: Dr. Michael Blanpied, Executive Secretary, National Earthquake Prediction Evaluation Council, U.S. Geological Survey, MS 905, 12201 Sunrise Valley Drive Reston, Virginia 20192, (703) 648-6696, Email: mblanpied@usgs.gov.

Dated: October 28, 2011.

John R. Filson,

Acting Program Coordinator, Earthquake Hazards Program.

National Register of Historic Places; Notification of Pending Nominations and Related Actions

Nominations for the following properties being considered for listing or related actions in the National Register were received by the National Park Service before October 21, 2011. Pursuant to section 60.13 of 36 CFR part 60, written comments are being accepted concerning the significance of the nominated properties under the National Register criteria for evaluation. Comments may be forwarded by United States Postal Service, to the National Register of Historic Places, National Park Service, 1849 C St. NW., MS 2280, Washington, DC 20240; by all other carriers, National Register of Historic Places, National Park Service, 1201 Eye St. NW., 8th floor, Washington DC 20005; or by fax, (202) 371-6447. Written or faxed comments should be submitted by November 25, 2011. Before including your address, phone number, email address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.

J. Paul Loether,

Chief, National Register of Historic Places/ National Historic Landmarks Program.
