

Relations Act, 29 U.S.C. 179(b). These delegations shall become and remain effective during any time at which the Board has fewer than three Members, unless and until revoked by the Board.

This delegation relates to the internal management of the National Labor Relations Board and is therefore, pursuant to 5 U.S.C. 553, exempt from the notice and comment requirements of the Administrative Procedure Act. Further, public notice and comment is impractical because of the immediate need for Board action. The public interest requires that this Order take effect immediately.

All existing delegations of authority to the General Counsel and to staff in effect prior to the date of this order remain in full force and effect.² For the reasons stated above, the Board finds good cause to make this order effective immediately in accordance with 5 U.S.C. 553(d).

Signed in Washington, DC November 3, 2011.

Mark Gaston Pearce,
Chairman.

SUPPLEMENTARY INFORMATION:

Background: In 2001, six Federal agencies began formal cooperation under a Memorandum of Understanding (MOU) on the research and development of multimedia (i.e., air, soil, water) environmental models. This MOU established the Interagency Steering Committee on Multimedia Environmental Modeling. The MOU was revised and renewed in 2006, and has just been revised and renewed for a third five year period in 2011. The MOU establishes a framework for facilitating cooperation and coordination among research organizations in the participating agencies. The first five
