Participation Requirements

All parties interested in participating in the India Medical Trade Mission must complete and submit an application for consideration by the Department of Commerce. All applicants will be evaluated on their ability to meet certain conditions and best satisfy the selection criteria as outlined below. A minimum of 15 and a maximum of 30 companies will be selected to participate in the mission from the applicant pool. U.S. companies already doing business in India as well as U.S. companies seeking to enter the Indian market for the first time may apply.

Fees and Expenses

After a company or organization has been selected to participate on the mission, a payment to the Department of Commerce in the form of a participation fee is required.

Option 1: The participation fee for the three city (Mumbai, New Delhi and Hyderabad) Trade Mission will be $4537.00 for a small or medium-sized enterprise (SME),* or trade organization, and $5225.00 for large firms. The fee for each additional firm representative (large firm or SME/trade organization) is $500.

Option 2: Fee, for participants joining the Trade Mission in two-cities (Delhi and Hyderabad) will be $3,275.00 for SMEs or trade organizations, and $3950.00 for large companies. The fee for each additional firm representative (large firm or SME/trade organization) is $500.

* Fee for participating in the Medical Fair 2012 is separate and will have to be paid directly to the organizers Messe Dusseldorf.)

Expenses for lodging, some meals, incidentals, and travel (except for transportation to and from meetings) will be the responsibility of each mission participant.

Conditions for Participation

• An applicant must submit a completed and signed mission application and supplemental application materials, including adequate information on the company’s products and/or services (or in the case of a trade association or trade organization, information on the products and/or services of the companies to be represented on the trade mission), primary market objectives, and goals for participation. If the Department of Commerce receives an incomplete application, the Department may reject the application, request additional information, or take the lack of information into account when evaluating the applications.

• Each applicant must also certify that the products and services it seeks to export through the mission are either produced in the United States, or, if not, marketed under the name of a U.S. firm and have at least fifty-one percent U.S. content. In the case of a trade association or trade organization, the applicant must certify that, for each company to be represented by the trade association or trade organization, the products and services the represented company seeks to export are either produced in the United States, or, if not, marketed under the name of a U.S. firm and have at least fifty-one percent U.S. content.

Selection Criteria for Participation

Selection will be based on the following criteria:

• Suitability of a company’s (or, the case of a trade association or trade organization, representing companies’) products or services to the mission’s goals.

• Company’s (or, in the case of a trade association or trade organization, represented companies’) potential for business in India, including likelihood of exports resulting from the trade mission.

• Consistency of the applicant’s goals and objectives with the stated scope of the trade mission.

• Referrals from political organizations and any documents containing references to partisan political activities (including political contributions) will be removed from an applicant’s submission and not considered during the selection process.

Timeframe for Recruitment and Applications

Mission recruitment will be conducted in an open and public manner, including publication in the Federal Register (http://www.gpoaccess.gov/fr) posting on ITA’s trade mission calendar—www.trade.gov/trade-missions—and other Internet Web sites, press releases to general and trade media, direct mail, broadcast fax, notices by industry trade associations and other multiplier groups, and publicity at industry meetings, symposia, conferences, and trade shows.

Recruitment for the mission will begin immediately and conclude no later than December 22, 2011. The U.S. Department of Commerce will review applications and make selection decisions on a rolling basis. We will inform all applicants of selection decisions as soon as possible after the applications are reviewed. Applications received after the December 22 deadline will be considered only if space and scheduling constraints permit.
