Given the innovative nature of Exchanges and the statutorily-prescribed relationship between the Secretary and States in their development and operation, it is critical that the Secretary work closely with States to provide necessary guidance and technical assistance to ensure that States can meet the prescribed timelines, federal requirements, and goals of the statute.

In order to ensure that a State seeking certification as a State Exchange meets all applicable requirements the Secretary will require a State to submit an application for approval during the Fall of 2012 and to demonstrate operational readiness through virtual and on-site readiness review.
