DEPARTMENT OF HOMELAND SECURITY

Office of the Secretary

Exercise of Authority Under the Immigration and Nationality Act

AGENCY: Office of the Secretary, DHS.

ACTION: Notice of determination.

Authority: 8 U.S.C. 1182(d)(3)(B)(i).

Following consultations with the Secretary of State and the Attorney General, I hereby conclude, as a matter of discretion in accordance with the authority granted to me by section 212(d)(3)(B)(i) of the Immigration and Nationality Act (INA), 8 U.S.C. 1182(d)(3)(B)(i), as amended, as well as the foreign policy and national security interests deemed relevant in these consultations, that subsections 212(a)(3)(B)(iv)(VI)(bb), (cc), and (dd) of the INA, 8 U.S.C.

1182(a)(3)(B)(iv)(VI)(bb), (cc), and (dd), shall not apply with respect to the provision of medical care by an alien, provided that the alien satisfies the relevant agency authority that the alien:

(a) Is seeking a benefit or protection under the INA and has been determined to be otherwise eligible for the benefit or protection;

(b) Has undergone and passed all relevant background and security checks;

(c) Has fully disclosed, to the best of his or her knowledge, in all relevant applications and interviews with U.S. government representatives and agents, the nature and circumstances of any medical care provided and any other activity or association falling within the scope of section 212(a)(3)(B) of the INA, 8 U.S.C. 1182(a)(3)(B);

(d) Has not voluntarily and knowingly provided medical care on behalf of a designated terrorist organization, as described in INA section 212(a)(3)(B)(vi)(I) or (II);

(e) Has not voluntarily and knowingly provided medical care with the intent of furthering the terrorist or otherwise violent activities of an organization or individual;

(f) Poses no danger to the safety and security of the United States; and

(g) Warrants an exemption from the relevant inadmissibility provision in the totality of the circumstances.

Implementation of this determination will be made by U.S. Citizenship and Immigration Services (USCIS), in consultation with U.S. Immigration and Customs Enforcement (ICE), or by U.S. consular officers, as applicable, who shall ascertain, to their satisfaction, and in their discretion, that the particular applicant meets each of the criteria set forth above.

When considering the totality of the circumstances, factors to be considered may include, among others: The purpose, extent, frequency, and nature of the medical care provided; the circumstances under which it was provided; the alien's involvement with the terrorist organization, including past or present membership and role in the organization; the nature of the activities committed by the terrorist organization; the alien's awareness of those activities; and the alien's conduct since providing the medical care.

This exercise of authority may be revoked as a matter of discretion and without notice at any time with respect to any and all persons subject to it. Any determination made under this exercise of authority as set out above can inform but shall not control a decision regarding any subsequent benefit or protection applications, unless such exercise of authority has been revoked.

This exercise of authority shall not be construed to prejudice, in any way, the ability of the U.S. government to commence subsequent criminal or civil proceedings in accordance with U.S. law involving any beneficiary of this exercise of authority (or any other person). This exercise of authority creates no substantive or procedural right or benefit that is legally enforceable by any party against the United States or its agencies or officers or any other person.

In accordance with section 212(d)(3)(B)(ii) of the INA, 8 U.S.C. 1182(d)(3)(B)(ii), a report on the aliens to whom this exercise of authority is applied, on the basis of case-by-case decisions by the U.S. Department of Homeland Security or by the U.S.

Department of State, shall be provided to the specified congressional committees not later than 90 days after the end of the fiscal year.

This determination is based on an assessment related to the national security and foreign policy interests of the United States as they apply to the particular persons described herein and shall not have any application with respect to other persons or to other provisions of U.S. law.
