Partial Rescission of the 2009–2010 Administrative Review

Pursuant to 19 CFR 351.213(d)(1), the Secretary will rescind an administrative review, in whole or in part, if the parties that requested a review withdraw the request within 90 days of the date of publication of the notice of initiation of the requested review. The instant review was initiated on August 26, 2011. *See Deferred Review Initiation Notice*. Granoro's request for withdrawal falls within the 90-day deadline for rescission by the Department, and no other party requested an administrative review of Granoro. Therefore, in accordance with 19 CFR 351.213(d)(1), and consistent with our practice, we are rescinding this deferred review of the antidumping duty order on certain pasta from Italy for Granoro.⁵

Assessment

The Department will instruct U.S. Customs and Border Protection ("CBP") to assess antidumping duties on all appropriate entries. For Granoro, antidumping duties shall be assessed at rates equal to the cash deposit of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, during the period July 1, 2009, through June 30, 2010, in accordance with 19 CFR 351.212(c)(1)(i).

The Department intends to issue appropriate assessment instructions directly to CBP 15 days after publication of this notice.

Notification to Importers

This notice serves as a reminder to importers of their responsibility under 19 CFR § 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested.
