BILLING CODE P

DEPARTMENT OF JUSTICE

Drug Enforcement Administration

[Docket No. 10-53]

Kamal Tiwari, M.D.; Pain Management and Surgery Center of Southern Indiana; Decision and Order

On April 23, 2010, I, the Administrator of the Drug Enforcement Administration, issued an Order to Show Cause and Immediate Suspension of Registration to Kamal Tiwari, M.D. (Respondent Tiwari), holder of DEA Certificate of Registration BT2936411, and his principal place of business, the Pain Management and Surgery Center (Respondent PMSC), holder of DEA Certificate of Registration BP4917413, both of Bloomington, Indiana. The Show Cause Order proposed the revocation of each Respondent's registration, on the ground that Respondent Tiwari had committed acts which render the continued registration of each Respondent "inconsistent with the public interest." Show Cause Order, at 1 (citing 21 U.S.C. 823(f) and 824(a)(4)).

The Show Cause Order specifically alleged that between March 2003 and August 2008, Respondent Tiwari issued "numerous" prescriptions for controlled substances to three patients, who were addicts, and "who did not exhibit any verifiable medical indications warranting the prescribing of controlled substances." *Id.* at 2. The Order thus alleged that Respondent lacked a legitimate medical purpose and acted outside the usual course of professional practice in issuing the prescriptions and violated federal and state laws. *Id.* (citing 21 U.S.C. 841(a)(1); 21 CFR 1306.04(a); Ind. Code § 25-1-9-4(a)(9)). With respect to these patients, the Show Cause Order further alleged that Respondent prescribed controlled substances to them "in exchange for their agreements to undergo medical procedures * * * for profit," and that "[t]his prescribing pattern indicates" that he issued the "prescriptions without a legitimate medical purpose

and outside the scope of professional practice." *Id.* at 2-3.

The Show Cause Order also alleged that a medical expert concluded that Respondent's prescribing to these three patients lacked "a legitimate medical purpose and [was] outside the scope of professional practice." *Id.* at 3. The Order further alleged that the expert concluded with respect to these three patients, as well as nine other patients, that Respondent's "actions encouraged the abuse of controlled substances and allowed their misuse," that his prescribing of controlled substances contributed to the deaths of six patients, and that there was no justification for his "long-term prescribing of controlled substances * * * or the administration of procedures using controlled substances" to these patients. *Id.*

Next, the Show Cause Order alleged that a second medical expert concluded that Respondent Tiwari had prescribed controlled substances to, and/or performed medical procedures using controlled substances without medical justification on, several other patients. *Id.* Finally, the Show Cause Order alleged that "at least nine of" Respondent's patients had died over a six-year period, the most recent being in February 2009, and that Respondent had "continue[d] to prescribe controlled substances to patients at per-patient rates that [we]re similar to the prescribing rates in 2008, when two of [his] patients died of conditions related to drug abuse." *Id.*

Based on the above, I concluded that Respondents' continued registration during the pendency of the proceeding "constitutes an imminent danger to the public health and safety." *Id.* at 4. I therefore ordered that each Respondent's registration be immediately suspended. *Id.*

On May 24, 2010, Respondents filed a request for a hearing and the matter was assigned to an Administrative Law Judge (ALJ), who proceeded to conduct pre-hearing procedures. However, on May 27, 2010, the Government moved for Summary Disposition and filed a Motion to Stay the Filing of Prehearing Statements. Mot. Summ. Disp., at 2-3.

The basis of the Government's motion was that each Respondent currently lacks authority to handle controlled substances in the State of Indiana, the jurisdiction where the Respondents are licensed to practice medicine and hold their DEA registrations. Mot. Summ. Disp., at 1-2 (citing 21 U.S.C. 801(21), 823(f), 824(a)(3)). In support of its motion, the Government attached a letter from the Medical Licensing Board of Indiana (MLB) to Respondent Kamal Tiwari, dated May 26, 2010, stating that
