Folding Metal Tables and Chairs From the People's Republic of China: Notice of Correction to the Final Results of the 2009-2010 Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

DATES: *Effective Date:* November 28, 2011.

FOR FURTHER INFORMATION CONTACT: Lilit Astvatsatrian or Trisha Tran, AD/CVD Operations, Office 4, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230; telephone: (202) 482-6412 or (202) 482-4852, respectively.

SUPPLEMENTARY INFORMATION:

Correction

On October 25, 2011, the Department of Commerce ("Department") published in the **Federal Register** the final results of the 2009-2010 administrative review of the antidumping duty order on folding metal tables and chairs from the People's Republic of China ("PRC").¹ The period of review covered June 1, 2009, through May 31, 2010. The published **Federal Register** notice contained an inadvertent error, in that it stated that "* * * we are revoking the order with respect to subject merchandise exported by New-Tec Integration (Xiamen) Co., Ltd. ("New-Tec")."²

However, pursuant to our *Preliminary Results*,³ the Department intended to state that "* * * we are revoking the order with respect to subject merchandise produced and exported by New-Tec." The corrected language is consistent with the *Preliminary Results* where we stated that "* * * if these preliminary findings are affirmed in our final results, we will revoke this order, in part, with respect to folding metal tables and chairs produced and exported by New-Tec."⁴ After the *Preliminary Results*, parties had an opportunity to comment on the revocation of the order with respect to New-Tec. We received no comments regarding this partial revocation and the Department did not intend to change what was stated in the *Preliminary Results* with regard to what merchandise would be affected by the revocation. We note that New-Tec's revocation was never mentioned in the *Final Results*' section regarding "Changes Since the Preliminary Results." The change in the *Final Results* was inadvertent and we are now correcting this to conform with the *Preliminary Results*. Finally, with respect to subject merchandise produced and exported by New-Tec, we will instruct U.S. Customs and Border Protection to terminate the suspension of liquidation for imports of such merchandise entered, or withdrawn from warehouse, for consumption on or
