AGENCY: Maritime Administration, Department of Transportation.

ACTION: Notice.

SUMMARY: As authorized by 46 U.S.C. 12121, the Secretary of Transportation, as represented by the Maritime Administration (MARAD), is authorized to grant waivers of the U.S.-build requirement of the coastwise laws under certain circumstances. The complete application is given in DOT docket MARAD–2011–0153 at http://www.regulations.gov. Interested parties may comment on the effect this action may have on U.S. vessel builders or businesses in the U.S. that use U.S.-flag vessels. If MARAD determines, in accordance with 46 U.S.C. 12121 and MARAD’s regulations at 46 CFR part 388, that the issuance of the waiver will have an unduly adverse effect on a U.S.-vessel builder or a business that uses U.S.-flag vessels in that business, a waiver will not be granted. Comments should refer to the docket number of this notice and the vessel name in order for MARAD to properly consider the comments. Comments should also state the commenter’s interest in the waiver application, and address the waiver criteria given in § 388.4 of MARAD’s regulations at 46 CFR Part 388.

Denial of Motor Vehicle Defect Petition, DP10–002

ACTION: Denial of Petition for a Defect Investigation.

SUMMARY: This notice describes the reasons for denying a petition (DP10–002) submitted to NHTSA under 49 U.S.C. Subtitle B, Chapter V, Part 552, Subpart A, requesting that the agency conduct “an investigation of defective products manufactured by Dayton Wheel Concepts, Inc. (‘Dayton Wheel’ and American Wire Wheel, LLC (‘American Wheel’).” The petition listed the allegedly defective products and the alleged defect (which varied by allegedly defective product).

FOR FURTHER INFORMATION CONTACT: Bob Young, Office of Defects Investigation (ODI), NHTSA; 1200 New Jersey Ave., SE; Washington, DC 20590. Telephone: (202) 366–4806.

SUPPLEMENTARY INFORMATION: By a letter dated December 31, 2009, Mr. Thomas M. Gisslen; 707 Miamisburg-Centerville Rd. #158; Dayton, OH 45459, through his lawyer John R. Folkerth, JR; 109 North Main Street; 500 Performance Place; Dayton, OH 45402; petitioned the NHTSA requesting that it investigate “defective products manufactured by Dayton Wheel Concepts, Inc. (‘Dayton Wheel’ and American Wire Wheel, LLC (‘American Wheel’)” and that the Agency “order * * * Dayton Wheel [to] remedy the indicated design defects and to cease and desist from the manufacture of the defective products until such time as the indicated design defects have been corrected, that all inventory of such defective product be impounded and destroyed, that all defective product be recalled, and that [Dayton Wheel] provide the notice specified in 49 U.S.C. 30118 and 30119” [basically that Dayton conduct a safety recall of the allegedly defective product(s) and so notify the NHTSA].

NHTSA has reviewed the material provided by the petitioner and other pertinent data. The results of this review and our analysis of the petition’s merit is set forth in the DP10–002 Petition Analysis Report, published in its entirety as an appendix to this notice. For the reasons presented in the petition analysis report, there is no reasonable possibility that an order concerning the notification and remedy of a safety-related defect would be issued as a result of granting Mr. Gisslen’s petition. Therefore, in view of the need to allocate and prioritize NHTSA’s limited resources to best accomplish the agency’s safety mission, the petition is denied.

Authority: 49 U.S.C. 30162(d); delegations of authority at CFR 1.50 and 501.8.

Issued on: November 22, 2011.

Nancy Lumen Lewis, Associate Administrator for Enforcement.
