National Healthy Worksite Program; Information Webinar Series

AGENCY: Centers for Disease Control and Prevention (CDC), Department of Health and Human Services (HHS).

ACTION: Notice of meeting.

SUMMARY: The Centers for Disease Control and Prevention (CDC) located within the Department of Health and Human Services (HHS) announces a series of Webinars to provide information for individuals and groups interested in learning more about the National Healthy Worksite Program. The National Healthy Worksite Program is an HHS/CDC initiative to establish and evaluate comprehensive workplace health programs to improve the health of workers and their families. Registration for the Webinars is free.

DATES: Webinars will be held on the following dates and times: December 20, 2011, 2:00–3 p.m. EST; January 13, 2012, 12:00–1 p.m. EST; January 20, 2012 12:00–1 p.m. EST; January 20, 2012 3:00–4 p.m. EST. Webinar registration site: www3.gotomeeting.com/register/

Participants should register online by limited to 1,000 participants. Each of the seven groups of employers will consist of a mix of employers (small—100 or less full-time employees; medium—101–250 employees; and large—251–1,000 employees). Outreach to interested employers in the seven locations will occur shortly after these Webinars. Interested employers will be directed to a program Web site (http://www.cdc.gov/NationalHealthyWorksite) and/or program email address (NationalHealthyWork@cdc.gov) to be certified as an eligible employer. The certification process will open January 20, 2012 and close February 3, 2012. In addition, multiple methods will be used to develop a marketing campaign to reach employers including advertising in trade publications, direct mail/email, utilizing the Web site, producing a recruitment video and using social media. All participants must complete their submission through the program Web site or program mailbox during the open certification period. Other submissions will not be considered. Final selection of participating employers will be made on or about April 30, 2012.

Registration: Early registration for each Webinar is encouraged, as space is limited to 1,000 participants. Participants should register online by using the links provided below.

Agency Information Collection Activities: Proposed Collection; Comment Request

AGENCY: Centers for Medicare & Medicaid Services, HHS.

In compliance with the requirement of section 3506(c)(2)(A) of the Paperwork Reduction Act of 1995, the Centers for Medicare & Medicaid Services (CMS) is publishing the following summary of proposed collections for public comment. Interested persons are invited to send comments regarding this burden estimate or any other aspect of this collection of information, including any of the following subjects: (1) The necessity and utility of the proposed information collection for the proper performance of the agency’s functions; (2) the accuracy of the estimated burden; (3) ways to enhance the quality, utility, and clarity of the information to be collected; and (4) the use of automated collection techniques or other forms of information technology to minimize the information collection burden.

1. Type of Information Collection Request: Revision of a currently approved collection; Title of Information Collection: Laboratory Personnel Report (CLIA) and Supporting Regulations in 42 CFR 493.1357, 493.1363, 493.1405, 493.1406, 493.1411, 493.1417, 493.1423, 493.1443, 493.1449, 493.1455, 493.1461, 493.1462, 493.1469, 493.1483, 493.1489 and 493.1491; Use: The information collected on this survey form is used in the administrative pursuit of the Congressionally mandated program with regard to regulation of laboratories participating in CLIA. The surveyor will provide the laboratory with the CMS–209 form. While the surveyor performs other aspects of the survey, the laboratory will complete the CMS–209 by recording the personnel data needed to support their compliance with the personnel requirements of CLIA. The surveyor will then use this information in choosing a sample of personnel to verify compliance with the personnel requirements. Information on personnel qualifications of all technical personnel is needed to ensure the sample is representative of the entire laboratory; Form Number: CMS–209 (OCN 0938–0074); Frequency: Biennially; Affected Public: Private Sector: State, Local, or Tribal Governments; and Federal Government; Number of Respondents: 20,486; Total Annual Responses: 10,243; Total Annual Hours: 5,121.50. (For policy questions regarding this collection contact Kathleen Todd at (410) 786–3385. For all other issues call (410) 786–1326.)

2.
