OFFICE OF THE UNITED STATES TRADE REPRESENTATIVE

Request for Comments on Japan’s Expression of Interest in the Proposed Trans-Pacific Partnership Trade Agreement

AGENCY: Office of the United States Trade Representative.

ACTION: Request for comments.

SUMMARY: Japanese Prime Minister Yoshihiko Noda recently announced Japan’s intention to begin consultations with the Trans-Pacific Partnership (TPP) countries towards joining the TPP negotiations. The Office of the United States Trade Representative (USTR) is assessing Japan’s expression of interest in the TPP negotiations in light of the TPP’s high standards for liberalizing trade and specific issues of concern to the United States regarding Japanese barriers to agriculture, services, and manufacturing trade, including non-tariff measures. In conducting its assessment, USTR is seeking public comments on these concerns and all other elements related to Japan’s interest in the TPP negotiations.

DATES: Written comments are due by noon, January 13, 2012.

FOR FURTHER INFORMATION CONTACT: For questions concerning requirements for written comments, please contact Donald W. Eiss at (202) 395–3475. All other questions regarding this notice should be directed to Michael Beeman, Deputy Assistant U.S. Trade Representative for Japan, at (202) 395–5070.

SUPPLEMENTARY INFORMATION:

On December 14, 2009, after consulting with relevant Congressional committees, USTR notified Congress of the President’s intent to initiate negotiations on a TPP trade agreement. These negotiations aim to achieve a high-standard, 21st century agreement with a membership and coverage that provides economically significant market access opportunities for America’s workers, farmers, ranchers, service providers, and small businesses and that can expand to include additional countries across the Asia-Pacific region. Currently, the negotiations include Australia, Brunei Darussalam, Chile, Malaysia, New Zealand, Peru, Singapore, and Vietnam, as well as the United States. Further information regarding the TPP negotiations can be found at http://www.ustr.gov/tpp.

On November 11, 2011, Japanese Prime Minister Yoshihiko Noda announced Japan’s intention to begin consultations with the current TPP participating countries towards joining the TPP negotiations. The Chair of the interagency Trade Policy Staff Committee (TPSC) invites interested persons to provide written comments that will assist USTR in assessing Japan’s expression of interest in the TPP negotiations in light of the TPP’s high standards for liberalizing trade and specific issues of concern to the United States regarding Japanese barriers to agriculture, services, and manufacturing trade, including non-tariff measures. Commenters may address these issues or any other specific barriers affecting U.S. exports to or investment in Japan. The TPSC Chair invites comments on all of these matters, and, in particular, on the following:

(a) Economic costs and benefits to U.S. producers and consumers of eliminating tariffs and eliminating or reducing non-tariff barriers on goods and services traded with Japan.

(b) Treatment by Japan of specific goods (described by HTSUS numbers), including product-specific import or export interests or barriers.

(c) Adequacy of existing customs measures to ensure that only qualifying imported goods from Japan receive preferential treatment, and appropriate rules of origin for goods entering the United States.

(d) Japanese sanitary and phytosanitary measures or technical barriers to trade that should be addressed.

(e) Existing barriers to trade in services between the United States and Japan that should be addressed.

(f) Relevant electronic commerce issues.

(g) Relevant trade-related intellectual property rights issues.

(h) Relevant investment issues.

(i) Relevant competition-related matters.

(j) Relevant government procurement issues.

(k) Relevant environmental issues.

(l) Relevant labor issues.

(m) Relevant transparency issues.

(n) Relevant issues related to innovation and competitiveness, new technologies and emerging economic sectors, the participation of small- and medium-sized businesses in trade, and the development of efficient production and supply chains.
