SUPPLEMENTARY INFORMATION: The purpose of the Webinar and National Teleconference Call is to provide a forum for us to obtain input on the draft revised EN Report Card. When we launched the report cards earlier this year, we committed to inviting ideas for improving the initial EN Report Card. We have already received some input from ENs, which we have taken into consideration in the proposed draft revision.

We invite participation in the Webinar and National Teleconference Call from people who have an interest in the rules we use to administer the TTW program, people who apply for or receive disability benefits or SSI payments, members of the public, advocates and organizations who represent parties interested in the TTW program, and others.

This is not a request for written comments and we will not respond to comments you send in response to this Notice. We will accept and consider oral comments through the Webinar and National Teleconference Call. We will then determine whether and how we should adjust the EN Report Card.

Michael J. Astrue,
Commissioner of Social Security.
