

requirements outlined in FASB Interpretation No. 41, "Offsetting of Amounts Related to Certain Repurchase and Reverse Repurchase Agreements" (FIN 41).

The FR 2502q instructions would also be modified to indicate that countries or dependencies not listed on the reporting form should be summed in each proposed regional subtotal, rather than current data item, "UNALLOCATED". In addition, the Federal Reserve would make minor changes to the FR 2502q instructions to enhance clarity.

Board of Governors of the Federal Reserve System, December 2, 2011.

Robert deV. Frierson,

Deputy Secretary of the Board.

Agency Information Collection Request; 60-Day Public Comment Request

AGENCY: Office of the Secretary, HHS.

In compliance with the requirement of section 3506(c)(2)(A) of the

Paperwork Reduction Act of 1995, the Office of the Secretary (OS), Department of Health and Human Services, is publishing the following summary of a proposed information collection request for public comment. Interested persons are invited to send comments regarding this burden estimate or any other aspect of this collection of information, including any of the following subjects: (1) The necessity and utility of the proposed information collection for the proper performance of the agency's functions; (2) the accuracy of the estimated burden; (3) ways to enhance the quality, utility, and clarity of the information to be collected; and (4) the use of automated collection techniques or other forms of information technology to minimize the information collection burden.

To obtain copies of the supporting statement and any related forms for the proposed paperwork collections referenced above, email your request, including your address, phone number, OMB number, and OS document identifier, to *Sherette.funncoleman@hhs.gov*, or call the Reports Clearance Office on (202) 690-6162. Written comments and recommendations for the proposed information collections must be directed to the OS Paperwork Clearance Officer

at the above email address within 60-days.

Proposed Project: Public Health Service Polices on Research Misconduct (42 CFR part 93)—OMB No 0937-0198—Extension—Office of Research Integrity.

Abstract: This is a request for an extension of the currently approved collection. The purpose of the Annual Report on Possible Research Misconduct (Annual Report) form is to provide data on the amount of research misconduct activity occurring in institutions conducting PHS supported research. In addition this provides an annual assurance that the institution has established and will follow administrative policies and procedures for responding to allegations of research misconduct that comply with the Public Health Service (PHS) Policies on Research Misconduct (42 CFR part 93). Research misconduct is defined as receipt of an allegation of research misconduct and/or the conduct of an inquiry and/or investigation into such allegations. These data enable the ORI to monitor institutional compliance with the PHS regulation. Lastly, the form will be used to respond to congressional requests for information to prevent misuse of Federal funds and to protect the public interest.
