SUPPLEMENTARY INFORMATION: Notice is hereby given that, pursuant to 39 U.S.C. 404(d), on November 16, 2011, the Commission received a petition for review of the Postal Service’s determination to close the Spring Lake post office in Spring Lake, Minnesota. The petition for review was filed by Sally Sedgwick (Petitioner) and is postmarked November 8, 2011. The Commission hereby institutes a proceeding under 39 U.S.C. 404(d)(5) and establishes Docket No. A2012–74 to consider Petitioner’s appeal. If Petitioner would like to further explain her position with supplemental information or facts, Petitioner may either file a Participant Statement on PRC Form 61 or file a brief with the Commission no later than December 21, 2011.

Categories of issues apparently raised. Petitioner contends that (1) the Postal Service failed to consider the effect of the closing on the community (see 39 U.S.C. 404(d)(2)(A)(iii)); (2) the Postal Service failed to consider whether or not it will continue to provide a maximum degree of effective and regular postal services to the community (see 39 U.S.C. 404(d)(2)(A)(iiii)); (3) the Postal Service failed to adequately consider the economic savings resulting from the closure (see 39 U.S.C. 404(d)(2)(A)(iv)); and (4) there are factual errors contained in the Final Determination.

After the Postal Service files the administrative record and the Commission reviews it, the Commission may find that there are more legal issues than those set forth above, or that the Postal Service’s determination disposes of one or more of those issues. The deadline for the Postal Service to file the applicable administrative record is within 15 days after the date in which the petition for review was filed with the Commission. See 39 CFR 3001.113. In addition, the due date for any responsive pleading by the Postal Service is also within 15 days after the date in which the petition for review was filed with the Commission.

Availability: Web site posting. The Commission posted the appeal and supporting material on its Web site at http://www.prc.gov. Additional filings in this case and participant’s submissions also will be posted on the Web site, if provided in electronic format or amenable to conversion, and not subject to a valid protective order. The Exchange has designated the proposed rule change as constituting a non-controversial rule change under Rule 19b–4(f)(6) under the Act, 2 which renders the proposal effective upon filing with the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend NYSE Amex Equities Rule 104(a)(1)(A) to reflect that, when determining the specific percentage quoting requirement applicable to a Designated Market Maker unit ("DMM unit"), volume for the particular security is based on consolidated average daily volume ("CADV"). The text of the proposed rule change is available at the Exchange, the Commission’s Public Reference Room, and http://www.nyse.com.

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

5 See NYSE Amex Equities Rule 98(b)(2). “DMM unit” means any member organization, aggregation unit within a member organization, or division or department within an integrated proprietary aggregation unit of a member organization that (i) Has been approved by NYSE Regulation pursuant to section (c) of NYSE Amex Equities Rule 98; (ii) is eligible for allocations under NYSE Amex Equities Rule 103B as a DMM unit in a security listed or traded on the Exchange, and (iii) has met all registration and qualification requirements for DMM units assigned to such unit.
6 Given the multitude of venues where equity securities trade, CADV is more reflective of the trading characteristics of a security than the volume on any single market.
