SUPPLEMENTARY INFORMATION: Notice is hereby given that, pursuant to 39 U.S.C. 404(d), on November 16, 2011, the Commission received a petition for review of the Postal Service’s determination to close the Spring Lake post office in Spring Lake, Minnesota. The petition for review was filed by Sally Sedgwick (Petitioner) and is postmarked November 8, 2011. The Commission hereby institutes a proceeding under 39 U.S.C. 404(d)(5) and establishes Docket No. A2012–74 to consider Petitioner’s appeal. If Petitioner would like to further explain her position with supplemental information or facts, Petitioner may either file a Participant Statement on PRC Form 61 or file a brief with the Commission no later than December 21, 2011.

Categories of issues apparently raised. Petitioner contends that (1) the Postal Service failed to consider the effect of the closing on the community (see 39 U.S.C. 404(d)(2)(A)(i)); (2) the Postal Service failed to consider whether or not it will continue to provide a maximum degree of effective and regular postal services to the community (see 39 U.S.C. 404(d)(2)(A)(ii)); (3) the Postal Service failed to adequately consider the economic savings resulting from the closure (see 39 U.S.C. 404(d)(2)(A)(iii)); and (4) there are factual errors contained in the Final Determination.

After the Postal Service files the administrative record and the Commission reviews it, the Commission may find that there are more legal issues than those set forth above, or that the Postal Service’s determination disposes of one or more of those issues. The deadline for the Postal Service to file the applicable administrative record is within 15 days after the date in which the petition for review was filed with the Commission. See 39 CFR 3001.113. In addition, the due date for any responsive pleading by the Postal Service is also within 15 days after the date in which the petition for review was filed with the Commission.

Availability: Web site posting. The Commission has posted the appeal and supporting material on its Web site at http://www.prc.gov. Additional filings in this case and participant’s submissions also will be posted on the Web site, if provided in electronic format or amenable to conversion, and not subject to a valid protective order.

A notice of intervention shall be filed using the Internet (Filing Online) at the Commission’s Web site, http://www.prc.gov, unless a waiver is obtained for hardcopy filing. See 39 CFR 3001.9(a) and 3001.10(a).

Further procedures. By statute, the Commission is required to issue its decision within 120 days from the date it receives the appeal. See 39 U.S.C. 404(d)(5). A procedural schedule has been developed to accommodate this statutory deadline. In the interest of expedition, in light of the 120-day decision schedule, the Commission may request the Postal Service or other participants to submit information or memoranda of law on any appropriate issue. As required by Commission rules, any motions and all responses are due 7 days after any such motion is filed. See 39 CFR 3001.21.
It is ordered:
1. The procedural schedule listed below is hereby adopted.
2. Pursuant to 39 U.S.C. 505, James F. Callow is designated officer of the Commission (Public Representative) to represent the interests of the general public.

**SECURITIES AND EXCHANGE COMMISSION**

Self-Regulatory Organizations; NYSE Amex LLC; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change To Amend NYSE Rule 104(a)(1)(A) To Reflect That Designated Market Maker Unit Quoting Requirements Are Based on Consolidated Average Daily Volume

December 2, 2011.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”) and Rule 19b–4 thereunder, notice is hereby given that on November 18, 2011, NYSE Amex LLC (“NYSE Amex” or the “Exchange”) filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I and II below, which Items have been prepared by the Exchange. The Exchange has designated the proposed rule change as constituting a non-controversial rule change under Rule 19b–4(f)(6) under the Act, which renders the proposal effective upon filing with the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend NYSE Amex Equities Rule 104(a)(1)(A) to reflect that, when determining the specific percentage quoting requirement applicable to a Designated Market Maker unit (“DMM unit”), volume for the particular security is based on consolidated average daily volume (“CADV”). The text of the proposed rule change is available at the Exchange, the Commission’s Public Reference Room, and http://www.nyse.com.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to amend NYSE Amex Equities Rule 104(a)(1)(A) to reflect that, when determining the specific percentage quoting requirement applicable to a DMM unit, volume for the particular security is based on CADV.6

A DMM unit must maintain a bid or an offer at the National Best Bid and National Best Offer ("inside") a minimum of either 5% or 10% of the trading day, depending on trading volume for the security. NYSE Amex Equities Rule 104(a)(1)(A) currently reflects for one of the calculations, but not the other, that, when determining the specific percentage quoting requirement applicable to a DMM unit, trading volume for the particular security is based on volume “on the Exchange.” The reference to “on the Exchange” was inadvertently included in the Exchange’s proposal to implement the NMM Pilot, which was based on the same language that was approved by the Commission in the

See NYSE Amex Equities Rule 98(b)(2). “DMM unit” means any member organization, aggregation unit within a member organization, or division or department within an integrated proprietary aggregation unit of a member organization that (i) has been approved by NYSE Regulation pursuant to section (c) of NYSE Amex Equities Rule 98, (ii) is eligible for allocations under NYSE Amex Equities Rule 103B as a DMM unit in a security listed or traded on the Exchange, and (iii) has met all registration and qualification requirements for DMM units assigned to such unit.

Given the multitude of venues where equity securities trade, CADV is more reflective of the trading characteristics of a security than the volume on any single market.

5 NYSE Amex Equities Rule 104(a)(1)(A) currently in effect during a pilot period (“New Market Model Pilot” or “NMM Pilot”).
6 Given the multitude of venues where equity securities trade, CADV is more reflective of the trading characteristics of a security than the volume on any single market.
