SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-65924; File No. SR-Phlx-2011-167]

Self-Regulatory Organizations; NASDAQ OMX PHLX LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change Relating to the Permit Fee

December 9, 2011.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")¹, and Rule 19b-4 thereunder,² notice is hereby given that on November 28, 2011, NASDAQ OMX PHLX LLC ("Phlx" or "Exchange") filed with the Securities and Exchange Commission ("SEC" or "Commission") the proposed rule change as described in Items I, II, and III, below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend the Exchange's Fee Schedule to waive Permit Fees for existing Exchange members or member organizations that were members on the Exchange prior to the initiation of PSX and have since determined to commence an equities business.

The text of the proposed rule change is available on the Exchange's Web site at <http://nasdaqtrader.com/micro.aspx?id=PHLXfilings>, at the principal office of the Exchange, on the Commission's Web site at <http://www.sec.gov> and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The

Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

1. Purpose

The purpose of the proposed rule change is to extend the waiver of Permit Fees to Exchange members or member organizations that were members on the Exchange prior to the initiation of PSX and have since determined to commence an equities business. The Exchange continues to seek to encourage members to trade on NASDAQ OMX PSX ("PSX")³ under a market participant identifier ("MPID")⁴ registered to the member or member organization.

Currently, the Exchange assesses members and member organizations who are transacting business on the Exchange a Permit Fee of \$1,100 per month.⁵ A member or member organization is assessed the \$1,100 monthly Permit Fee if that member or member organization: (1) Transacts its option orders in its assigned Phlx house account in a particular month; (2) is a clearing member of The Options Clearing Corporation or a Floor Broker; or (3) for those member organizations which are under common ownership, transacts at least one options trade in a Phlx house account that is assigned to one of the member organizations under common ownership.⁶ Members who are not transacting business on the Exchange are assessed a Permit Fee of \$7,500 per month. A member or member organization is assessed the \$7,500 Permit Fee for not transacting business on the Exchange if that member is either: (i) Not a PSX Participant;⁷ or not engaged in an options business at the Exchange in a particular month. In

³ PSX is the Exchange's cash equities market electronic trading platform.

⁴ An MPID is a four-letter code used by a member to categorize its trading activity for a specific purpose.

⁵ The Exchange recently filed to amend its Permit Fees to \$2,000 for members transacting business on the Exchange. The rule text of Exhibit 5 reflects the text of that currently effective filing which will be operative on January 3, 2012, in part. See SR-Phlx-2011-166.

⁶ For purposes of the Permit Fee, "common ownership" shall be defined as at least 75% common ownership between the member organizations.

⁷ Applicants that apply for membership solely to participate in the NASDAQ OMX PSX equities market are not assessed a Permit Fee, Application Fee, Initiation Fee, or Account Fee. See Securities Exchange Act Release No. 61863 (April 7, 2010), 75 FR 20021 (April 16, 2010) (SR-Phlx-2010-54).

¹ 15 U.S.C. 78s(b)(1).

² 17 CFR 240.19b-4.

addition, a member or member organization that sponsors an options participant⁸ would pay an additional Permit Fee for each sponsored options participant. If the Exchange member or member organization meets the exemption criteria related to the \$7,500 Permit Fee, the member or member organization would be assessed the \$1,100 Permit Fee or \$2,000 as of January 3, 2012.

At the time PSX began operations in October 2010, the Exchange filed a rule change to waive the Application Fee, Initiation Fee, Permit Fee and Account Fee for applicants applying to participate in PSX ("October 2010 Rule Change").⁹ The October 2010 Rule Change applied the waivers to *new* Exchange members that solely participated in PSX.¹⁰ Also, the October 2010 Rule Change did not apply the waivers to an applicant seeking approval to participate solely in the options market, or to an applicant seeking to participate in both the equities and the options markets.¹¹ Finally, the October 2010 Rule Change did not apply waivers to members or member organizations that cease their options operations, but remain as sole PSX Participants. The Exchange subsequently filed an amendment to allow existing members or member organizations that cease to conduct an options business on Phlx XL II,¹² but continue to conduct business PSX, to receive a waiver of Permit Fee.¹³

This filing proposes to apply the waiver of the Permit Fee¹⁴ to those Exchange members and member

organizations that were members of the Exchange before the initiation of PSX, but were not conducting an options business, and thereafter commenced conducting an equities business. These members and member organizations were not considered "new" members and were therefore not subject to the waiver. The Exchange proposes to allow these members and member organizations to receive a waiver of the Permit Fee. These members and member organizations must not be conducting an options business to receive the waiver, but would be considered PSX only.

2. Statutory Basis

The Exchange believes that its proposal to amend its Fee Schedule is consistent with Section 6(b) of the Act¹⁵ in general, and furthers the objectives of Section 6(b)(4) of the Act¹⁶ in particular, in that it is an equitable allocation of reasonable fees and other charges among Exchange members and other persons using its facilities.

The Exchange believes that it is reasonable to waive fees as an incentive for existing Exchange members and member organizations to continue to transact business on PSX.

The Exchange believes that the proposal is equitable and not unfairly discriminatory because the waiver applies uniformly to any members and member organizations that solely conduct an equities business on the Exchange. The fact that these members and member organizations were at the Exchange prior to the commencement of PSX should not prohibit them from receiving the same waiver as other equities members who are not conducting an options Exchange.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were either solicited or received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A)(ii) of the Act.¹⁷ At any time

within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.

IV. Solicitation of Comments

Self-Regulatory Organizations; NASDAQ OMX PHLX LLC; Order Granting Approval of Proposed Rule Change, as Modified by Amendment No. 1, To Introduce the Minimum Life Order as a New Order Type

December 9, 2011.

On October 12, 2011, NASDAQ OMX PHLX LLC (“Exchange” or “Phlx”) filed with the Securities and Exchange Commission (“Commission”), pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”)¹ and Rule 19b-4 thereunder,² a proposed rule change to introduce the Minimum Life Order as new order type for use in the NASDAQ OMX PSX (“PSX”) system. The proposed rule change was published for comment in the **Federal Register** on October 28, 2011.³ On October 26, 2011, the Exchange filed Amendment No. 1 to the proposed rule change.⁴ The Commission has received one comment letter on the proposed rule change.⁵ The Exchange responded to the comment letter on November 28, 2011.⁶ This order approves the

proposed rule change, as modified by Amendment No. 1.

The Exchange proposes, by amending its rules to add Rule 3301(f)(11), to introduce the Minimum Life Order as a new order type for use on PSX. A Minimum Life Order may not be cancelled by the entering participant for 100 milliseconds following receipt by the Exchange. If a market participant entering a Minimum Life Order submits a cancel message with respect to a Minimum Life Order at the same time as the order, or at any point during the “no cancel” window, the cancel message will not be rejected, but will be effected only following the expiration of the window (assuming the order has not already been executed). All Minimum Life Orders must be designated as Displayed Orders.

The Commission received one comment letter, which was generally supportive of the proposed rule change.⁷ The commenter, however, expressed concern that predatory traders will be able to know when an order has a minimum life because there will be a new flag in the data feed.⁸ The commenter is concerned that predatory traders would be able to use such information to further model price behavior in the markets.⁹ The Exchange stated in its response to the commenter that Minimum Life Orders will not be distinguished from other Displayed Orders in any data that will be disseminated to market participants.¹⁰ The Exchange notes that the flag mentioned by the commenter will be used for order entry, but not for order display.¹¹

After careful review, the Commission finds that the proposed rule change is consistent with the requirements of Section 6 of the Act¹² and the rules and regulations thereunder applicable to a national securities exchange.¹³ In particular, the Commission finds that the proposed rule change is consistent with Section 6(b)(5) of the Act,¹⁴ which requires, among other things, that the Exchange’s rules be designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable

principles of trade, to foster cooperation and coordination with persons engaged in facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest.

The Exchange’s new Minimum Life Displayed Order type, which cannot be cancelled until after a 100 millisecond window has expired, allows market participants to elect to commit to trade for that time period and thus, according to the Exchange, is designed to encourage removers of liquidity to route orders to the Exchange in anticipation of receiving higher fill rates.¹⁵ The Commission believes that the Minimum Life Order could provide additional trading opportunities on the Exchange, consistent with just and equitable principles of trade, and is designed to encourage displayed liquidity and offer PSX market participants additional options when posting liquidity on PSX, consistent with removing impediments to and perfecting the mechanisms of a free and open market and a national market system, the protection of investors and the public interest.

It is therefore ordered, pursuant to Section 19(b)(2) of the Act,¹⁶ that the proposed rule change (SR-Phlx-2011-141), as amended, be, and hereby is, approved.

For the Commission, by the Division of Trading and Markets, pursuant to delegated authority.¹⁷

Deputy Secretary.
