This Notice also lists the following information:

Title of Proposal: Resident Opportunities and Self-Sufficiency Program.

OMB Control Number: 2577-0229.

Description of the Need for the Information and Proposed Use: Section 538 of the Public Housing Reform Act (Pub. L. 105-276, 112 Stat. 2461, approved October 21, 1998) added a new section 34 to the U.S. Housing Act of 1937 which provides a mandate to link supportive services to help public housing residents achieve economic self-sufficiency. The Resident Opportunities and Self-Sufficiency Service Coordinator (ROSS-SC) Program responds to this requirement by providing funding to Public Housing Authorities, Tribes/Tribally Designated Housing Entities (TDHEs), resident organizations, and qualified nonprofit organizations to link residents of public housing to supportive services. For fiscal year 2012, Congress appropriated approximately \$50 million for the ROSS-SC Program. Of this funding, HUD reserves \$15 million for the Public Housing Family Self-Sufficiency program.

Section 23 of the 1937 Housing Act established the Family Self-Sufficiency (FSS) program in HUD's rental voucher and public housing programs. HUD operates two FSS programs, one for the voucher program (Housing Choice Voucher, or HCV FSS) and one for public housing. The purpose of both FSS programs is to promote the development of local strategies to coordinate the use of public housing assistance with public and private resources, to enable families eligible to achieve economic independence and self-sufficiency. OMB asked HUD to

more closely align the two programs, which includes the application process. HUD has modified the public housing program to more closely reflect the characteristics of the HCV FSS program. In so doing, HUD is proposing to replace the ROSS-FSS form (HUD-52767) with the HCV FSS form (HUD-52651). This form, two other program specific forms, and several standard forms outlined below, will be used to determine eligibility and evaluate capacity of prospective applicants for the PH FSS program.

The information provided to HUD by the eligible applicants will be reviewed and evaluated by HUD. Using a comprehensive, merit-based selection process, HUD will determine which organizations should receive awards under the ROSS-SC and PH FSS programs.

This notice lists all forms associated with both the ROSS-SC program and the PH FSS program. However, HUD is asking for public comment specifically on the replacement of the ROSS-FSS form with the HCV FSS form.

Members of the Affected Public: Public Housing Agencies, Tribes/TDHEs, nonprofits, and Resident Associations.

Estimation of the total number of hours needed to prepare the information collection including number of respondents: HUD anticipates that there will be 400 applicants to the ROSS-SC program. For the ROSS SC program, the burden would be between 5 and 6 hours per application (depending on type of applicant), the average is 5.5, times 400 applications for a total of 2200 hours. Fewer forms are required for the FSS program than for the ROSS-SC program, the burden hours for this program would be .75 hours per application, times 300 applications for a total of 225 hours. The sum total average burden hours for both program applications is 2425.

There will be no additional costs to the respondents as application preparation and submission are part of the regular operation of Housing Authorities, Tribes, nonprofits, and resident organizations.

* Burden hours for forms showing zero burden hours in this collection are reflected in the OMB approval number cited or do not have a reportable burden. The burden hours for this collection is 2425.

Status of the Proposed Information Collection: Revision of a currently approved collection.

Authority: Section 3506 of the Paperwork Reduction Act of 1995, 44 U.S.C. Chapter 35, as amended.

Dated: December 8, 2011.

Deputy Director for Policy, Program and Legislative Initiatives.
