

Applicants also request that the order exempt ACIS and any entity that now or in the future acts as principal underwriter, or broker or dealer if registered under the Securities Exchange Act of 1934, as amended (“Exchange Act”), with respect to the transactions described in the application.

3. Consistent with its fiduciary obligations under the Act, each Applicant Fund’s board of directors will review the advisory fees charged by the Applicant Fund’s Adviser to ensure that they are based on services provided that are in addition to, rather than duplicative of, services provided pursuant to the advisory agreement of any investment company in which the Applicant Fund may invest.

Applicants’ Legal Analysis

1. Section 12(d)(1)(A) of the Act provides that no registered investment company (“acquiring company”) may acquire securities of another investment company (“acquired company”) if such securities represent more than 3% of the acquired company’s outstanding voting stock or more than 5% of the acquiring company’s total assets, or if such securities, together with the securities of other investment companies, represent more than 10% of the acquiring company’s total assets. Section 12(d)(1)(B) of the Act provides that no registered open-end investment company may sell its securities to another investment company if the sale will cause the acquiring company to own more than 3% of the acquired company’s voting stock, or cause more than 10% of the acquired company’s voting stock to be owned by investment companies and companies controlled by them.

2. Section 12(d)(1)(G) of the Act provides, in part, that section 12(d)(1) will not apply to securities of an acquired company purchased by an acquiring company if: (i) The acquired company and acquiring company are part of the same group of investment companies; (ii) the acquiring company holds only securities of acquired companies that are part of the same group of investment companies, government securities, and short-term paper; (iii) the aggregate sales loads and distribution-related fees of the acquiring company and the acquired company are not excessive under rules adopted pursuant to section 22(b) or section 22(c) of the Act by a securities association registered under section 15A of the Exchange Act or by the

Commission; and (iv) the acquired company has a policy that prohibits it from acquiring securities of registered open-end investment companies or registered unit investment trusts in reliance on section 12(d)(1)(F) or (G) of the Act.

3. Rule 12d1–2 under the Act permits a registered open-end investment company or a registered unit investment trust that relies on section 12(d)(1)(G) of the Act to acquire, in addition to securities issued by another registered investment company in the same group of investment companies, government securities, and short-term paper: (i) Securities issued by an investment company that is not in the same group of investment companies, when the acquisition is in reliance on section 12(d)(1)(A) or 12(d)(1)(F) of the Act; (ii) securities (other than securities issued by an investment company); and (iii) securities issued by a money market fund, when the investment is in reliance on rule 12d1–1 under the Act. For the purposes of rule 12d1–2, “securities” means any security as defined in section 2(a)(36) of the Act.

4. Section 6(c) of the Act provides that the Commission may exempt any person, security, or transaction from any provision of the Act, or from any rule under the Act, if such exemption is necessary or appropriate in the public interest and consistent with the protection of investors and the purposes fairly intended by the policies and provisions of the Act.

5. Applicants state that the Applicant Funds will comply with rule 12d1–2 under the Act, but for the fact that the Applicant Funds may invest a portion of their assets in Other Investments. Applicants request an order under section 6(c) of the Act for an exemption from rule 12d1–2(a) to allow the Applicant Funds to invest in Other Investments while investing in Underlying Funds. Applicants assert that permitting the Applicant Funds to invest in Other Investments as described in the application would not raise any of the concerns that the requirements of section 12(d)(1) were designed to address.

Applicants’ Condition

Applicants agree that any order granting the requested relief will be subject to the following condition:

Applicants will comply with all provisions of rule 12d1–2 under the Act, except for paragraph (a)(2) to the extent that it restricts any Applicant Fund from investing in Other Investments as described in the application.

Deputy Secretary.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34–65943; File No. SR–NYSEAmex–2011–95]

Self-Regulatory Organizations; NYSE Amex LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change Amending the NYSE Amex Options Fee Schedule

December 13, 2011.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”),¹ and Rule 19b–4 thereunder,² notice is hereby given that on November 30, 2011, NYSE Amex LLC (the “Exchange” or “NYSE Amex”) filed with the Securities and Exchange Commission (“Commission”) the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the self-regulatory organization. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend the NYSE Amex Options Fee Schedule (“Fee Schedule”) for Qualified Contingent Cross (“QCC”) trades. The proposed change will be operative on December 1, 2011. The text of the proposed rule change is available at the Exchange, the Commission’s Public Reference Room, and <http://www.nyse.com>.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below,

of the most significant parts of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to amend the Fee Schedule for QCC trades.³ Specifically, the Exchange proposes to exclude Customer-to-Customer QCC trades from the existing Floor Broker Rebate of \$.03 per contract, which the Exchange inadvertently did not do when QCC fees were implemented in September 2011.⁴ The Exchange notes that there is no execution charge for a Customer-to-Customer QCC trade and as such, including such non-revenue generating trades among those that generate a rebate for Floor Brokers is not economic for the Exchange and does not provide an offsetting benefit to other market participants, for example, by bringing additional order flow to the Exchange. The Exchange notes that at least one other exchange similarly excludes free customer-to-customer trades from floor broker rebates, and thus such a practice is not novel.⁵

The proposed changes will be operative on December 1, 2011.

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with the provisions of Section 6(b)⁶ of the Securities Exchange Act of 1934 (the "Act"), in general, and Section 6(b)(4)⁷ of the Act, in particular, in that it is designed to provide for the equitable allocation of reasonable dues, fees, and other charges among its members and other persons using its facilities. The Exchange believes that the proposed change is reasonable, equitable, and not unfairly discriminatory because it will

³ The QCC permits an NYSE Amex ATP Holder to effect a qualified contingent trade ("QCT") in a Regulation NMS stock and cross the options leg of the trade on the Exchange immediately upon entry and without order exposure if the order is for at least 1,000 contracts, is part of a QCT, and is executed at a price at least equal to the NBBO, as long as there are no Customer Orders in the Exchange's Consolidated Book at the same price. apply uniformly to all Floor Brokers and it is not economic for the Exchange to pay a Floor Broker Rebate for a trade that does not generate trade execution revenues for the Exchange or provide any offsetting benefits to market participants generally, for example, by bringing additional order flow to the Exchange. Under such circumstances, the Exchange believes that it would be unfair to market participants that are not Floor Brokers to continue to pay Floor Brokers the Floor Broker Rebate from the general revenues of the Exchange.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change is effective upon filing pursuant to Section 19(b)(3)(A)⁸ of the Act and subparagraph (f)(2) of Rule 19b-4⁹ thereunder, because it establishes a due, fee, or other charge imposed by the Exchange. At any time within 60 days of the filing of such proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

IV. Solicitation of Comments
