that the procedural and substantive requirements of the Act and FAR Part 150 have been satisfied. The overall program was approved, by the Manager of the Airports Division, Western-Pacific Region, effective April 20, 2011.

Approval was granted for one Noise Abatement Element, eight Land Use Management Elements and three Program Management Elements. The approved measures included: a pilot education program; maintaining an established communication process between DOT–A, Hawaii County, and Hawaii State Land Use Commission for the review of proposed development near the airport; DOT–A to encourage Hawaii County to revise the Environmental Quality Section of Hawaii County General Plan to include additional policies related to airport land use compatibility; establish an Airport Influence Area for Kona International Airport to define the area that land use compatibility policies would apply; DOT–A to encourage Hawaii County to adopt an airport compatibility checklist for discretionary review of projects within its vicinity; maintain compatible zoning designations within the 2013 60 DNL noise contour; require the dedication of noise generated property owners of the noise generated to nonaviation uses; develop a noise compatibility program; updated the Noise Exposure Maps and Noise Compatibility Programs as necessary; and acquire and implement a noise monitoring system.

The FAA determinations are set forth in detail in the Record of Approval signed by the Manager of the Airports Division, Western-Pacific Region, on April 20, 2011. The Record of Approval, as well as other evaluation materials and the documents comprising the submittal, are available for review at the FAA office listed above and at the administrative offices of the Kona International Airport at Keahole. The Record of Approval also will be available on-line at: http://www.faa.gov/airports/environmental/airport_noise/part_150/states/

Issued in Hawthorne, California on December 12, 2011.

Mark A. McClardy,
Manager, Airports Division, Western-Pacific Region, AWP–600.
